SAVE MILK
Raise Calves on PURINA CALF STARTENA

Would you like to put more milk in the cans, less in the calves . . . make money, save money, and still raise topnotch calves? Many of the best dairymen do just that! They start their calves on Purina Calf Startena—feed no milk at all after the first month, have that much more milk to ship, and raise just as good calves.
They save themselves a lot of work and a lot of time, too . . . no mixing; no calf fighting, no pails to wash after the first month. Better ask us about it!

Get EXTRA Eggs!
If you're "hanging onto" your layers with an eye to the future (and that may prove very good policy) then you'll want to get good production out of them and at the same time keep them up in condition. Here are 3 practical suggestions:
1. Cull the shirkers, feed the workers!
2. Give them a Check-R-Ton treatment to tone them up. Just mix it in the mash.
3. No matter what mash you're feeding, "top" it with 3 to 5 lbs. of Purina Checkers per 100 birds per day. It'll show you real results both in eggs and condition.
PURINA CHECKERS

A good start is half the battle with pigs—and the good start begins long before the pigs are farrowed. Help your sow build up her litter, and herself, by balancing her chop with protein-rich, mineral-rich, vitamin-rich
SOW & PIG CHOW

For MORE Milk We Recommend—
If you've plenty of grain on hand, balance it with Cow Chow Concentrate
If you've only a moderate supply of grain, then use Cow Chow Supplement
If you're low on grain, or out of it, feed "complete" Milk Chow (STRAIGHT)
If you want more bulk, palatability, or laxative effect— Bulky-Las (BULK AND SUCCULENCE)

There's never any sizeable surplus of fresh eggs in Summer and early Fall . . . always a shortage of big eggs. Heavy Winter hatching of layers and fewer early chicks started point to the same thing this year . . . good prices and a wide spread for size. That means opportunity for you if you start good chicks early . . . start them "flying" on Chick Startena Chicken Pellets . . . raise them big and sturdy on a good Purina growing ration . . . hit those highest markets.

CHURCH NOTES

(continued from page one)

ited and Knox Church of Jarvis and the Rev. D. Crane and the Rev. J. W. E. Newbery.

The cancellation of the play "The Improper Mr. Proper" which was to have been presented at Christ Church, Nanticoke last Friday the 17th, will be presented on Friday, 31st. We are hoping for good weather. The cast will present the play at St. Williams this week.

Last week workmen were busy drilling for water at the Rectory, something that has been lacking for many years. We believe the lack of water is due to the falling of the water shed. Well we struck an open vein of good water at fifty-five feet and now we can rest assured of a plentiful supply for many years.

The annual meeting of the Ontario Division of the Red Cross Society will be held at the Royal York Hotel, Toronto, on the 24th of March. The Rector will attend the meeting as the representative of Haldimand, on the Divisional Branch program committee. Mrs. Cameron will accompany her husband as a member of the Red Cross Nursing Reserve. The Very Reverend R. C. Brown, Dean of the Anglican Cathedral, London, Ont. will be the special speaker.

The Bishop of the Diocese has called a conference of Church Wardens of the Deaneries of Hamilton, Wentworth and Haldimand for the 30th of March at St. Thomas Church, Hamilton at 8. P.M. Our Wardens are: Jarvis, Mr. R. Frith and Mr. L. B. Holmes; for Nanticoke, Mr. Elmo Field and Mr. Wm. Snowden; for Cheapside, Mr. Harry Bassindale and Mr. John Atkinson. All Wardens have expressed their desire to attend this very important meeting.

Garnet Eliminated By Bright Three Straight In Semi-Finals

— By Bill Martin —

Well folks, as most of you will know by now, via the grapevine that Garnet have hung up their skates for the season.

Last Thursday night at Woodstock Garnet lost a real tough game to Bright by the score of six to four, which gave Bright the right to meet Stroud in the O.R.H.A. finals.

It was a real tough game to loose and Garnet playing without three of their players, really put up a battle and with a few breaks could easily have won the game, but on the zorfos Bright were the better team and deserved to win as they played heads up hockey and took advantage of all the breaks that came to them and there were quite a few.

Garnet, playing the series short handed, through illness, could not get organized but never once during the series were Garnet discouraged or ready to throw in the towel, and you can't take that away from them.

Now for the game.

Bright opened the scoring at the 5:42 mark when B. Graham dribbled one past Stallwood, while Garnet were short handed. Two minutes later O. Phillips drilled a long one past Rousely to make it one to one. Bright took The lead at 11:16, when T. Kaufman scored from T. Graham and the period ended with the score two to one for Bright. Penalties went to O. Phillips 2, J. Nixon, W. Vozel and R. Hewitt.

The second period was only six seconds old when H. Thomas scored from R. Phillips and at the 2:51 mark Garnet took the lead for the first time in the game and series, H. Thomas scoring his second goal of the night, taking a pass from J. Phibbs. Bright then came back to tally two goals to take the lead again, R. Scott and Les Pettigrew scoring to make it four to three at the end of the second period. Penalties went to L. Pettigrew, R. Hewitt, and E. Phillips.

In the third period Bright went three goals up with goals by L. Pettigrew at the 3:05 mark and G. Graham from W. Vogel at 4:59. Garnet finished the scoring at the 10:13 mark with M. Walker scoring from A. Phillips to make the final score six to four for Bright. Three penalties in this period, R. Phillips, R. Hewitt and R. Scott.

E. Phillips was taken to the dressing room after being hit by a flying puck and after X-rays were taken, it was found that Em had received a fractured nose. (Great way to end the hockey season, eh ?)

Best for Bright were T. Kaufman, B. Graham, R. Hewitt and the Pettigrew boys. Best for Garnet were H. Thomas, who after getting out of the sick bed and scored two goals. Well that is pretty darn good for an old timer like Harry. O. Phillips looked good on defence, along with M. Miller. J. Phibbs, R. Phillips, M. Walker were my choice on the forward line.

Well folks, will wind up the hockey news next week with a little playoff data and hockey gossip.

The lineups were as follows: Bright — Goal, J. Routley; Defence, W. Scully, W. Vogel; forwards, B. Graham, T. Graham, T. Kaufman, alternates, R. Hewitt, R. Scott, L. Pettigrew, W. George, G. Sherman. Les Pettigrew, L. Pratt and D. Bell. Garnet: Goal, Stallwood; Defence, O. Phillips, B. Meehan; Forwards, R. Phillips, J. Phibbs, H. Thomas; Alternates, B. Miller, B. Nixon, A. Phillips, M. Walker, E. Phillips, J. Nixon.

Lions Achievement Award Presented To Vera Jaques

Recognition of the achievements of Miss Vera Jaques for her accomplishments in agricultural pursuits resulted in her being awarded with The Lions Achievement Award at the regular meeting of the Club on Monday night. The presentation was made by Lion David Banks, Vice President of the Club.

The award is made to citizens who have made an outstanding contribution to the community. Miss Jaques through her standing in the competitions at the International Plowing Match at Burford last year and in having the reserve champion calf in the King's Guineas Class at the Royal Winter Fair, brought honour to herself and valuable publicity to her home community.

In making the presentation Lion David Banks pointed out that the award was an indication of the honour which she so richly merited.

A Fish Story ?

— By Norman C. Colbert —

Mr. John Walker of Jarvis has furnished this column with the following verse written by the late William Wood of Nanticoke, school teacher and dedicated to an old Nanticoke pioneer, who was fearful that the Government of the day intended destroying the dam across the Nanticoke Creek. It seems that some Jarvis residents were exerting pressure in that direction, in order that the fish would be able to come up the creek as far as Jarvis, and save the Jarvis boys the trouble of having to drive to Nanticoke for their fishing.

The poem was written in the 1890's when Doctor Montague and the late Judge Colter were the standard bearers for the opposing parties. There were several other verses and we are anxious to publish the whole poem if some reader is able to furnish us with same, in addition to the verse resurrected by Mr. Walker, namely—

Oh Tory Crew, I vow to you
Next time to vote for Montague
If you don't cut my dam in two
And let those pogy nuts through;
To feed that greedy Jarvis Crew.

Margarine Oils Mostly Imports

Seventy-five percent of the fats and oils used in the manufacture of margarine last year was imported according to a Government reply to Earl Cadberwood, M.P. for Haldimand, in the House of Commons last week.

Canadians ate 71,992,000 pounds of margarine in 1949 into the manufacture of which went 60 074,399 pounds of oils and fats. The total of 4,184,521 pounds or about 75 per cent, consisted of cottenseed, peanut, cocoanut and palm kernel oil. "These would be imported either as raw product, crude or refined oils." the return said. "It is not known what part of the remainder, consisting of soybean oil, sunflower oil, marine oils, coco oils and other fats were imported materials."

Canadian consumption of butter in 1949 fell to 315,358,000 pounds from 370,153,000 in 1948.

Presented Bouquet To Barbara Ann Scott---- Thrill For Eunice Hedge

It was probably the biggest thrill six-year-old Eunice Hedges will experience in her lifetime when she was chosen from a crowd of more than five thousand people at the Westland Arena on Saturday night to present a bouquet of roses to Canada's darling of the Silver Blades, Barbara Ann Scott.

Eunice was attending the Ice Show with her parents, Mr. and Mrs. Charles Hedges. The petite Nanticoke girl was chosen from the crowd to present the gift to Barbara Ann and needless to say, she was just thrilled to do so. Barbara Ann is her favorite as she is to thousands of little girls, and adults too, all over the world.

As a souvenir of the occasion, Eunice was given a booklet autographed by Barbara Ann. That will be a souvenir she will tenderly care for all the rest of her life.

Club Work Very Important Says Agricultural Official

"Club Work is regarded as one of the more important functions of the duties of the Department of Agriculture Representative" said A. Gordon Skinner in addressing the Lions Club on Monday night. He outlined the reasons why such importance is attached to this phase of his work. "Club Work" he said, "is supplementary to formal education and serves to develop rural young people by educating them to take a part in community development." "We are trying," he continued, "to develop a spirit of responsibility." He declared that all too evident attitude among many people of "Let George Do It". The times have tended to develop this attitude, said Mr. Skinner. He was the guest speaker at the meeting set aside to honour the winners in the recent tractor maintenance competition which had been sponsored by the Lions Club.

The winners were introduced by Lion Lorne Porter and were: Keith McCorkadale, Jack Field, Keith Loucks, Douglas Smith and Larry Hare. They were later presented with awards by Lion Glen Reichelt, chairman of Agricultural Committee. Lion Ted Montague introduced Mr. Ron Crozier, assistant Agriculture Representative for Haldimand who had charge of the project. Mr. Crozier complimented the Lions Club for their interest in the work. Other guests included Miss Irene Shaw, President of the Junior Women's Institute in Haldimand and Laverne Laidman, President of the Haldimand Junior Farmers.

The thanks of the gathering was expressed to the speaker by Lion Chief George W. Walker.
