Softball Notes

— By Allan Awde —
Hello again softball fans, this week we're coming to you with the final column of the season. Playoffs have at last finished and we can't say that we're sorry. It has been a long season but a good one.

Again this week we salute the Jills. They have just won the league trophy by defeating Waterford in two games although Waterford made it close and we take our hat

cidentally this is her third straight league championship and two O.R.S. A. championships as well as reaching the finals last year. Lois Pond in her first year has done very well having played several positions. Johanna Horvatis also tried hard but is slightly week at bat. Betty Ann Dosser and Ceorgina Everjey showed up well for their age and both promise to be ball players some of these

mise to be ball players some of the

Of a total of thirty-two games this year the Jills won twenty-four losing one league game and one play off game. Eleanor Martin has played all of those ball games. Vera Jacques and Mary Columbus have been in all of the games while Anne

right up fighting and they soon over hauled the lead built up by Waterford.

Since there is only Ladies Softball to talk about we're going to say a few hundred words about the Jills. It has been our pleasure to be associated with them as score keeper and this year's team has been the best group of people to work with we have ever seen. Every girl play ed any position she was asked to play, without a moments hesitation. Marie Saunders has had a good year on the mound and in addition won the batting championship. With the ever reliable Vera Jaques and Melva Hare. who is possibly the coolest bat ter in the league, the Jills had a couple of good catchers. Joyce Parkinson had a great year at first base, filling in at that position as if she had been there all her life. Jean McMillen turned in a good effort at second base, it being her first year in that position. Anne Columbus, who is about the best shortstop in the league started slow but hit her stride in the play offs when she led the team in batting by a wide margin. An ankle injury early in the season possibly affected her chances of winning the batting championship At third base the work of Eleanor Martin has been very good, particularly her throws to first base. We can't recall having chalked up a wild throw against her all season. In the outfield, Mary Columbus has played a lot of nice ball at centrefield. Alice (Everley) Smith has proven to be one of the best utility players in the league having played all three positions in the infield. Incidentally this is her third straight league championship as well as reach-Two of the Screen's Mightiest Action Hits! GARY COOPER, RAY MILLAND, ROBERT PRESTON — in —

Well, fans, this just about does it for this season. It's been a busy together as teams, each team intent one for us, but we enjoyed the most of it. During the season we have cream of the younger generation in the season we have the season we have the punded.

As we close we'd like to leave this thought with you: "If you can't play together as teams, each team intent on being the winner. One meets the one approximately two hundred this manner."
