## Softball Notes

By A. A. Aude

Hello again softball fans we're back again for another week and with a little help from the weather man several more ball games have been played. When we commenced writing this the big news that everyone is waiting for is not yet finished. However before this column is completed we hope that the Jills have made everyone happy but after that Saturday game we're not betting either way.

In the Erie League, Selkirk Juniors bowed out of the semi-finals on Friday evening when Fisherville swamped them nineteen to two. Perhaps it was just as well the Juniors lost, if they had beaten a team out of the play-offs who are making big plans to play intermediate C next year, the shock might have killed somebody. Fisherville hits were well divided that night but Bob Dennis' drive for the Juniors into deep right field was the longest blow of the game.

The finals between Selkirk Intermediates and Fisherville begin on Tuesday, October 3rd in Fisherville and in Selkirk Thursday, October 5th.

When we write this we do not know if they will be playing two out of three or three out of five.

In the Ladies League, Waterford took over second place when they defeated Cayuga thirteen to two in the replay of the tie game which occurred last August. This gave them a second place tie Cayuga has defaulted to Waterford. Cayuga is very likely to default the semi final round to Jarvis and at the present time Simcoe is talking of doing likewise with Waterford which would bring Jarvis and Waterford together in the finals for the Ladies League trophy.

In the Cayuga vs. Waterford game, the Wings scored twelve runs in one inning. Ruby Opsko started in that game with a good many nice plays at second as well as hitting two home runs. Another former Jarvis player namely Betty Opsko rapped out a homer and turned in a good game behind the plate. At the present time we would rate her as the top-catcher in the Ladies League and we hope our Jills don't shoot us.

Speaking of the Ladies, we received quite a jolt last week when we whirled around to Dave Secord's to sign up Sandra Lee. Imagine our surprise to find out that papa Dave wanted a new Rolle Royce as a bonus before he would let his daughter sign a contract with the Jills. However we used all the strategy we could think of and finally talked him into a cheap new one. Anyway we extend our congratulations to Dave and Connie.

Yippee-e-e-e they did it! Yes sir since we started this column the Jills have made us one of the happiest fellows in Jarvis. When they defeated Glen Morris in the first game and then dropped the second, fans had visions of again seeing their team drop a third game. After the first inning on Tuesday afternoon things looked even worse as Glen Morris picked up seven runs. However, like a championship team the Jills came from behind and finally went ahead in the sixth. From then on it was all Jarvis as they really played ball.

Just how much this game meant to the girls, could be seen afterwards, as there were tears in the eyes of several of the players and a few non-players. One of the most interesting incidents to us was Jean McMullen's good luck token. We happened to be present when she showed a penny in the bottom of one stocking and then a lucky horseshoe token in the bottom of the other. Incidentally this token followed "Brad" a good many thousand miles in all parts of the world.

Following the game, the Glen Morris team rushed to the Jarvis bench to offer their congratulations. We imagine several must have been nearly broken hearted but they are a swell group of sports and as we told one of their fans before the game it was a shame either one had to lose.

To us it seemed rather fitting that the Jills should win the championship when Jack Martin and his mother could be there. Two of their most ardent supporters, they were in the U.S.A. for the Saturday game.

To fellows, and we had better include the ladies here too, who have driven many miles to get these girls to the games as of late, to all those who have helped on the gates and to the fans of Jarvis who gave the Jills

PREVENT BLOWOUT ACCIDENTS

Change accidents . . .

Suppose you have a blowout! Will your car be thrown out of control . . . perhaps into a dangerous smashup?

Or will you pull up to a safe, straight-line stop . . . the kind you get with Goodyear LifeGuard Safety Tubes.

Play safe! Blowouts give no warning! Let us equip your car with Goodyear LifeGuards. They're economical, often outlast several sets of tires. Fit any make of tire, new or in service.

Tire with ordinary tube collapses instantly . . . injures driver, passengers, property. A LifeGuard supports the tire . . . permitting a safe, easy, straight-line stop with complete control.

GOOD YEAR LIFE GUARD SAFETY TUBES
