Football Notes

By Allan Aude

So again, football fans, we're back again for what we had hoped would be our last week of football. Since the Ladies League playoffs were delayed a week I guess we'll be having a week of football.

After much discussing, it was decided upon to play a week from the last. That means the game will be held on Friday, October 27th, if it is snowed out.

The Erie League we still have heard whether Selkirk has decided to default to Hagersville or not. We presume they are going to.

We get the kick out of it is the fact that is usually heard every year, over players, and after the game is settled, nobody has happened last spring if you will be interested to know the race for the batting champion.

Van Every whom fans will remember has practically clinched it. He has maintained her average in the batting of the finals while her nearest rivals, Alan Columbus and Meva Hare slipped a bit.

Of championship, the keep right on winning them. Joia has picked up a couple of points in local plovling matches.

Since April, Selkirk has won the match she competed in. Their rival both times was Betty Goshko. A couple of other girls, Columbus sisters, gave a very account of themselves at the Hagersville High School field day.

The broad jump, high jump and shot put, they ranked second and third and were beaten out by the Mohawk Ladies, who were taken out of the O.R. playoffs.

However in our own minds, the girls' prowess can be gauged from the records which show that at each meeting each boy has a broad jump and the four foot high jump.

Because the chief scout of the staff happened to go to see the game, he was very much interested in the girls' prowess. He was very much interested in the girls' prowess.

Scouts Collecting Paper Saturday

The Jarvis Scouts and Cubs wish to thank everyone for their hearty support on Apple Day.

You will be interested to know that the three Scouts received King Scout Badges last Friday night.

Born in the Township of Walpole, she was a daughter of the late Mr. and Mrs. John Schwyer. She married the late Mr. Harris in 1894 and they lived near Hagersville before moving to Jarvis.

SILVER STAR REBEKAH LODGE REGULAR MEETING

The regular meeting of Silver Star Rebekah Lodge was held on Tuesday evening with Laura Braund, N.G., and G. Belbeck, V.G. along with the other new officers presiding. Plans were made for the Bazaar to be held this Saturday and all members are urged to bring along their contributions.

The Degree Captain, Sister Nellie Stallwood asked the members to bring along their contributions to the Bazaar to be held on Wednesday evening of next week. The installation ceremony of Sister Ellen Durant as treasurer's report and gave a report on the recently held Bake Sale which netted \$12.00. It was decided to hold another Bake Sale in November and also a Rummage Sale early in the new year. Members were urged to contact any girls between the ages of twelve and twenty-six who would desire to take the Agricultural Project "The Club Girl Entertains."

Mrs. M. Butler Robinson gave the progressive study on prominent people in Haldimand County. An interesting article on Camellias, which are being grown at Ivey's in Port Hope, was read by Mrs. A. Miller.

Cosage of Mums were given to the winners of the floral contest conducted by Mrs. E. Marr and Mrs. T. Harris. Little Janet Church drew the name of Mrs. M. Butler Robinson for the electric tea kettle. Mrs. J. J. Parsons donated this as a prize for the contest. The Committee for the December meeting will be Mrs. M. Robinson, Mrs. C. Smith, Mrs. W. Davidson and Mrs. Walker.

It was realized on the sale of tickets for the Bazaar that the "King" followed by refreshments served by Mrs. Leathong and committee was a word of praise for continuing the Centennial Column in the Jarvis Record. Since Centennial Week, the Record is the only weekly newspaper in the county which has offered this added interest to its readers, and I feel as you do that Haldimand and the County have continued on through the 1950 year.

To write an historical column week by week requires a great deal of research work on the part of the writer and it is to be hoped that every Jarvis reader of the Record appreciates the effort put forth by Mr. Colbert in presenting this Centennial Column to the public.

History is only of value when it has been recorded and I am sure that you have made 1850 truly a Centennial year in Jarvis.

Yours respectfully,
 A. CAUGA READER

The speakers each related some highlights in their playing careers and offered some advice to the juveniles arising from their experience gained in their connection with sport. A vote of appreciation to the two members of the Club who had managed the team during the season was enthusiastically endorsed by the other members of the Club as well as the players.
