garm

out that Canada's export of baco dropped from a high of 273,000

we have the proper incention Gas, Coal or Wood Cook Stove,

According to Herb Alp who recent- Ont. addressed the Poultry and Livestock Conference at Gueiph, there is stock Conference at Gueiph, there is substitute for feed and water in growing healthy pullets. He maintains that for the average flock owners the best plan is to keep feed, both nash and grain, and water always available. Cafeteria or the hopper valiable. Careteria or the hopper method of feeding, is not only simple but it saves labour, permits the young birds to cater to their individual tastes and is also the cleanest method of hondlings the situation.

The Jarvis Board of Trade passed a recommendation on to the Jarvis Hydro System at their meeting last Friday night to the effect that better Friday night to the effect that better street lighting be adopted, particularly in the business section, at the earliest possible date. The resolutions was adopted following considerable discussion concerning the inadequacy of our present street lights. Reevel Walker, chairman of the Hydro system, pointed out that nearly \$13,000 had been spent last year improving the Hydro system and that it was hoped to have the present plant completely rebuilt within the next twopletely rebuilt within the next two

years.
President John Peresky presented
Rev. J. W. E. Newbery, who plans to leave Jarvis in the near future, with a gift on behalf of the Board of Trade. Mr. Newbery in expressing his thanks, outlined the work which he will undertake upon his arrival in Trinidad. Guests present included Andrew Dudley, one of the new owners of The American Hotel, Rev. Roy Irvin, the new minister at Wesley United Church, and G. B. Patison, of Crystal Beach.

W. J. ELLIOTT Jarvis, Ont

The Annual Picnic for the frien is and children of the Haldimand Children's Aid Society was held on Saturday afternoon in the Park at Hagersville. About one hundred children, foster parents and interested friends, enjoyed a pleasant afternoon. Miss Betty Fraşer of Dunnville and Mr. H. E. Jones of Cayuga planned and supervised a full afternoon of races, contests and a ballgame and the group sat down to a picnic supper at five thirty with chocolate milk and ice cream provided for all who were interested. The children all received presents supplied by the Haldimand Junior Women's Institute for this occasion. The picnic proved an important one to the kiddies as old acquaintances were renewed and many family ties refreshed. It also provided an opportunity for foster parents and others interested in child we fare work in this County to get acquainted and discuss questions of mutinal interest.
