Man-eater?

Not the mountain lion. He is a shy, retiring beast, rarely seen by humans. His principal diet is deer, but when times are hard, he may raid a herd of livestock. The mountain lion is becoming a rare sight in Canada, and therefore he deserves our protection.

JARVIS, Ontario - PHONE 51

On Friday evening, April 13, 1951, the Selkirk Oddfellows held their annual At Home in the Community Hall. About 175 people were present for a supper, followed by a short program. Brother Albert Thompson, of Port Dover with his monitory, was especially enjoyed by the young folk. A comedy song, "Barnacle Bill The Sailor" by William Snoden and Russell Hare was another highlight of the program.
