Mr. and Mrs. James Crippa and family have moved from their home on the Sixth Concession to their new home in Jarvis. Before leaving the community friends and neighbours gave a farewell party for them in the Chesapeake Community Hall. During the evening Mr. and Mrs. Crippa were presented with a coffee table and electric lamp. The recipients thanked their friends for their kind remembrance. A pleasant social evening was spent dancing, followed by a beautiful lunch.

Mr. and Mrs. Mulkins who have purchased the Crippa farm, will now take possession.

One woman was removed to the Hamilton Hospital following an accident at the Stone Church side-road on Sunday afternoon about 4 P.M. A car east bound, American car from Detroit, collided with a car driven by Roy Awde of the Sixth Concession. The American car struck the front of the Awde car after which it went out of control breaking off two mail posts and turning over several times. The driver was not injured, but his wife suffered head injuries and shock. The car was badly damaged.

Mr. and Mrs. Albert Pond have returned from a pleasant trip to California.

A large number from this district attended the funeral of the late Roy Easton held in Hagerville on Friday afternoon.

The Stone Church Young People's Society met in the Church Hall with a good attendance on Wednesday night. Mr. Ralph Bigger had charge of the meeting. Miss Melba Swing and Mr. John Campbell served refreshments. Plans were made for a Valentine social.

The annual meeting of the Church was held on Tuesday night in the Church Hall.

Miss Marion Nixon is spending some time at the home of Mr. and Mrs. Lorne Porter.

Mr. and Mrs. Henry Kohl visited at St. Thomas during the past week. Mr. Roy Summers, a brother of Mr. Kohl, is quite seriously ill at his home there.

Mr. Murray Laidlaw is at present employed in Hamilton.

The Junior Choir of Chalmers Church will have charge of the musical part of the service on Sunday, February 18th at 2:30 P.M. Everyone is invited to come and hear this young group.

Pen, Scissors and Pastepot

We are a dictator at heart. Too often we find ourselves thinking certain person should be doing a certain job and likely if it were within our power to make them do it, we probably would. That would make us a dictator. There is however an element of danger in deciding in your own mind whether or not someone else is failing to carry a fair share of the load. Circumstances sometimes come to light that alter opinions even though they may take a long time to become evident. Examples of other people being the judge of all things on the universe often come to light. Whenever a public appeal for money is made you will hear it said that so and so should give so much — usually much more than they subscribe. When they are often condemned for not doing it when it would appear there was nothing in the world to prevent them except sheer laziness. It is dangerous however, to formulate definite opinions in this regard unless all the facts are known. And human facts are pretty hard to get at sometimes.

YOUR BLOOD is urgently needed...

to save Life

Somewhere, on a hospital cot, someone's life is slowly slipping away. That life can be saved. That man, or woman, or little child can be welcomed back with tears of joy by friends and loved ones.

You can be the means of keeping this thread of life from breaking. Your blood can help someone to live who otherwise would die. For blood is life itself. Will you donate your blood to the Canadian Red

Cross Blood Transfusion Service? This great new civilian Blood Transfusion Service has been opened by the Red Cross to provide whole blood and plasma, FREE... not even a Hospital Service charge, to all hospital patients in Canada who need it.

No greater gift can you ever give — for blood is life itself. Contact your local Red Cross Branch or clinic, and say — "Yes, I will be a donor."

Give blood that others may live
