One of the biggest problems facing it did, not having it live or winter the farmer in Haldimand County is over. That is one of the problems the hazard of getting a good catch of small seeds regularly. Practically every farmer has experienced the disappointment of sowing valuable which if it can be solved will mean untold extra dollars in the pockets of Haldimand farmers.

We suspected all along that the fellow who writes our softball news would end up as manager of the Jarvis Jills. But it's a dangerous situation he has got himself in to. Imagine a bachelor managing a girls softball team and all of them sing'e, or at least most of them. While we are confident he will get a championship for his team, we are, at the same time warning him to be darn careful or he will be getting himself

when it came to managing a ball team. On one occasion when he was managing a team of comedians in a charity game against a team of actors, he told Jack Benny, as he stepped to the plate, to get up there and knock out a home run. Benny promptly struck out. Groucho promptly resigned as manager, explaining "I refuse to manage a team that won't follow instructions"

twenty-five years as an historian in this area and told some very inter-esting stories in connection with the historical sites along this famous Portage Road esting stories in connection with the historical sites along this famous Portage Road.

About a year ago, through the gen erosity and kindness of Mrs. W. A Fry of Dunnville the athletic medals and olympia official badges belonging to the late W. A. Pry we given to the Historical Society. Recently this very unusual collection was placed in a separate show case on a stand and was thus given a place of distinction in the Museum room.

The June meeting will be held in the form of a picnic and tour of the old Village of Indiana. Many years ago, Indiana was the thriving Village and Cayuga was just a small suburb, but now, Cayuga has become the incorporated Village and all that remains of the long lost Village are a few interesting landmarks that mark the location of Indiana.

A new policy covering the grant

ing of premiums on the purchase of beef bulls has just been approved for the Province of Ontario. It is now possible for individual farmers to qualify for this premium providing the bulls are of the required standard and are purchased at consignating be at least ten months of age, well grown for their age, typical of the breed, etc. in order to be eligible. The bonus shall amount to twenty percent of the purchase price but not exceeding \$75.00. Other details of the policy may be had on application to your agricultural representative.

ONLY YOU know the personal story your bank book tells. Did you know there are 8,000,000 such bank books in Canada? Each contains information that is strictly private, each represents "money in the bank".

Your money is part of the grand total of these little books — a great pool of deposits mobilized and safeguarded in Canada's 3,700 branch banks.

Your money in the bank and that of millions like you, enables the banks to provide the credit that helps keep Canadians producing, manufacturing, marketing.

That is how you help the chartered banks serve Canadians.
