SAYS YOUTH IS PAID TOO MUCH ATTENTION

Winipeg - (CP) - Bring up your children like nothine flowers and they'll wither in the outside world, says Rev. Thomas Saunders. The pastor of Chalmers United Church here said in a sermon he thought adults did too much for youth people, paid them too much attention. "Too much publicity was given to young people in sports and society news. It was out of proportion to their place in the community. This made them feel much more important than they really were. Some day they were going to receive a great shock. Said the minister: "We are not preparing our youth adequately for the future. We are allowing them to experience more attention. ARE NOT

CHARMED BY MUSIC

WHY DOESN'T HE STOP THEIR MUSIC?

THE 1951 edition of the Jarvis Lions Club May 24th celebration will be recorded as another great success for the club.

The entry of Simcoe meant a change in plans for some of the other teams as several of the Simcoe players were counted upon to turn out with some of the other teams. However, everyone will be happy to see Simcoe back in the league, they helped to form the league originally and have always displayed good sportsmanship.

According to "The Editor" or the writer of "The Editor" and Pastepot, we have practically given up our last chance of remaining an old fashioned club by managing the Jills. However, we're proud to say we have already won several games and we're not married yet. Of course we have had several old experiences already such as forgetting a passenger and leaving her stranded in Jarvis. Anyway we figure if we carry the total of fifteen players that we're allowed to sign we'll have fifteen reasons why we shall remain single. Fifteen girls that won't ask us. Probably by the end of the season they won't even speak to us.

Of course if the Editor lets the subject drop, we promise not to tell Mrs. Miller about those two ladies we saw him sitting with on the night of the 24th. Of course we're only kidding. Oops! There goes our joke. Well, folks, softball news is still rather scarce so we guess we'll close for this week. The Jarvis softball standing is still as follows:

FLYING FISH DO NOT FLY!

The fish leaps from the surface of the water, and by spreading out its fan-like fins glides. It is not a motion of flying like a bird. 1. "Popular Palladium" - A. S. E. Ackermann. 2. Article in "Daily Telegraph" - Jan. 29, 1912, by Sir Ray Lankester, F.R.S.

Softball Notes

By Allan Aude

Hi folks, here we are again with softball news and at the present time the weather man seems to have the upper hand. No games have been played in the Erie League since last week and at the present time no games have been played in the Ladies League. Softball seems to have a little too much on the ball for the other teams in the Erie League. Last week they defeated Fishersville decisively and then at the May 24th tournament they again handed them a little too much on the ball for the other teams in the Erie League. In the night game, Softball had the edge over Nanticoke, defeating them four to one.

The Jills started the season in fine fashion as they came up with a good display to down the Port Dover Wrens seventeen to four. Their bat was good as Vera Jacques and Jean McMillen pounded out homers, while Eleanor Martin appeared to have regained her batting form of a season ago as she picked up three hits. Perhaps the girl who stole the show was Betty Ann Dossier, thirteen year old girl who picked up a triple and a double. All the fielders came up with good games.
