

Happy Christmas Darling!

And with love... from Mother and Dad... a very special present, her own bank book showing a Christmas deposit. Think about giving the "Juniors" at your house a "Commerce" account of their own. You'll see what a happy gift it is. Your teen-agers will feel so grown-up and important. You'll know what a good gift it is—a personal account encourages them to save for what they want.

Remember, money-wise boys and girls are more understanding of their parents' planning, better prepared for their own future responsibilities.

It's simple when you know how!

VARENCY HOME-MAKING CLUB

The Varenzy Homemaking Club began their new unit, "The Supper Club" on November 16th at our leader's home, Miss Kathleen Miller. There were eight girls present. Election of officers resulted as follows: President, Marie Mattice; Vice President, Barbara Haddock; Secretary, Marion Mattice; Press Reporter, Marie Saunders. Discussions were held on "How to Handle Food", "Dishwashing" and "Foods for Health". Marie Mattice demonstrated the correct method of measuring various ingredients. It was decided to buy blue cardboard for our record books. The meetings will be held every Saturday afternoon on Saturday morning, November 17, for the second meeting. Following reading and adoption of the minutes we decided to call our club "The Varenzy Supper Clubbers". Next we prepared and baked apples under our leader's guidance. The roll call of "One Good Food Habit" was answered. We learned the various ways of cooking fruit. The meeting was brought to a close with a taste of the baked apples, which were delicious.

ONE IN TEN

A million Canadians now have jobs in manufacturing. Ten per cent of these are in the primary textile industry. (The latest Dominion Bureau figures are 1,080,000 in manufacturing and 104,000 of these in primary textiles.)

Besides leading all other Canadian industries in numbers employed in manufacturing, primary textiles also is way ahead in the size of its payroll. It is up among the leaders in providing jobs for women and in being well spread out through the smaller communities.

Dominion Textile is a considerable part of this basic textile industry.

DRYOCOPUS PILEATUS
(Northern Pileated Woodpecker)

The Pileated Woodpecker is a startling bird. So spectacular is his appearance that he is a target for guns in the hands of thoughtless people.

An extremely valuable bird, the Pileated should be protected. He destroys millions of wood insects and provides nesting sites for tree-dwelling ducks.

Get to know wildlife. You'll find a whole new world of interest — and you'll want to conserve our natural scene.
