Here is Challenge

and OPPORTUNITY

Young men...

Training and experience in leadership are two of the most valuable assets

you can possess, no matter what lifetime career you select. You may obtain both training and experience as a leader under a new plan whereby the Canadian Army is training young men with Junior Matriculation or Equivalent Educational Standard as Officers in the Active Force.

But there is a challenge in the standards you must meet — in the courses you take and pass before you can qualify for a commission. And, there is opportunity in the privilege of leading Canada's soldiers at home and abroad.

If accepted you begin training at Camp Borden as an Officer Cadet to qualify as a Second Lieutenant in the Active Force. You will receive Second Lieutenant's pay while in training. When you are granted a commission you will then serve for periods of 3, 4 and 5 years as you choose under the Short Service Commission Plan. At the end of this service

To qualify you must be:—Single — Physically fit — Between 18 and 25 years of age and have a Junior Matriculation or Equivalent Educational Standard.
