Special Notice to Employers AND Those Enlisting in Armed Forces

By The Veterans Benefit Act, 1951, passed at the last session of Parliament, the Government of Canada has extended and made applicable the provisions of the Reinstatement in Civil Employment Act, 1946, to all persons enlisting in the Regular Forces of Canada after July 5, 1950, (nineteen fifty) and who serve therein for a term not exceeding three years.

This provision extends also to members of the Special Force who re-engage for service with the Regular Forces, the three-year coverage period beginning with the date of re-engagement.

This provision extends also to members of the Reserve Forces who after July 5, 1950, are called out for service with the Regular Forces and serve with the Regular Forces for a period not exceeding three years.

By an Order in Council passed in 1950 under the Canada Forces Act the provisions of the Reinstatement in Civil Employment Act, 1946, were extended to members of the Special Force and members of the Reserve Forces who serve on the strength of the Special Force. The reinstatement provisions of this Order in Council have now been incorporated in the provisions of the Veterans Benefit Act, 1951.

Under the Reinstatement in Civil Employment Act a discharged person may claim reinstatement either verbally or in writing, usually within three months of discharge in Canada or four months if discharged overseas. There is provision for extension of this time when through a condition of health the employee cannot return to his employment this soon, but the employer must be notified in three or four months, as the case may be, and a Reinstatement Officer should be consulted.
