It is gratifying to note that the United Nations 1952 Budget has been reduced to \$46,568,000.00. In 1951, the U.N. spent \$47,766,000.00. The decrease is said to be due to the fact that the U.N. will meet in North America next year rather than abroad. Now who could have ever thought the cost of living could be higher abroad than it is here. Possibly the Hon. C. D. Howe had something when he said "What a Million Dollars".

We're glad Cliff Rodgers is in town this week. We can report that "The Brooklyn Eagle" one of Metropolitan New York's Daily newspapers was represented at the Lions Club meeting on Monday night. It was quite an honour to the Club as here-tofore most of the members have confined their association with newspapers to The Jarvis Record. And, needless to say, the unkind remarks that are sometimes indulged in with reference to this great family journal to the Editor. Cliff Rodgers is probably the only other person in the world who can truly appreciate the trials and tribulations of the Editor of this paper. He was once the editor himself. Much to our personal satisfaction he set out on Monday night to inform the members of the

Lions Club Start Fall Meetings

The regular meeting of the Jarvis Lions Club at the American Hotel on Monday night marked the start of another year of Lionism in Jarvis. The newly elected President, Lion Albert Pond, presided during the dinner and the business session that followed.

The President introduced three guests in the persons of Mr. F. D. Pond, the La Jolla Lions Club in Southern California and his son Rev. W. H. Puller who is presently pastor of the Methodist Church in Brooklyn, N.Y.

The report of the Carnival Committee showed a slight loss on the program as presented on September 3. The Committee was of the opinion, however, that the reaction of the public to the program was exceptionally good and that another effort in this direction would almost be sure to be successful.

Lion Stan Mitchell, chairman of the Finance Committee, revealed plans for the four dances this Fall, the last one to be a Halloween dance.

Plans were also made for a representative group of Lions from the local Club to attend the District A 2 meeting at McMaster University on Friday night of this week. The guest speaker on that occasion will be Director-General Roy Keston, of Chicago.

Lion A. L. Miller gave a report on the International Convention held in Atlantic City in June at which he attended as delegate from the Jarvis Lions Club.

The Municipal Council of the Township of Walpole met on this date pursuant to adjournment with all members present and Reeve E. M. Walbridge presiding. Minutes of August meeting were read and all correspondence given due attention.

Cox and Rouleton — Resolved that the salaries of August meeting be adopted as read. Carried.

Parkinson and Addison — Resolved that \$1,000.00 be advanced with interest to the Vanticoke Community Hall. Carried.

Addison and Rouleton — Resolved that we petition the Department of Highways for the interim payment of the Statutory grant as per Highway Improvement Act on work done from January 1st 1951 to August 31st, 1951. Carried.

Parkinson and Cox — Resolved that the General and Road accounts be paid. Carried. General account to the amount of \$2,960.88 and Road accounts to the amount of \$8,701.84 were paid.

Rouleton and Cox — Resolved that the Council do now adjourn to meet on October 5th, 1951 at ten o'clock A.M. Carried.

How does he help conservation?
The LABRADOR RETRIEVER is one of our best conservationists. By finding lost and wounded game birds, he makes sure that his hunter doesn't unintentionally exceed the limit. One of the hunter's most important pieces of equipment is a good gun dog.

As you learn more of conservation, the more you realize its importance to everyone in Canada. It's a job that must be done by all of us, in order to protect our natural resources for tomorrow.
