Hon. Lionel Chevrier,

Have you seen them? They're the latest and greatest of the famous Oldsmobile line . . . the great new 1952 Super "88" and the magnifi-

cent new Classic "98". They've got everything! Elegant new exteriors

styled to match the new, more powerful "Rocket" engine's flash and

dash. Sparkling new interiors which provide the last word in cruising

comfort, and offer you a new choice of glamorous interior-exterior

color harmonies. Inside and out, in fact, each series features a host

of revolutionary new engineering and styling advancements. Truly,

There is no known cure for Bang's Disease and for that reason every precaution should be taken. Calf-hood vaccination is one of the most practical means of control. Other than this one should only purchase subject to the blood test. Calves should never be fed raw milk from infected herds, and for that matter neither should raw milk from an infected herd be used for human consumption. It can be the source of undulant fever.
