

### HALDIMAND FARMERS!

Are you interested in the breeding, feeding and marketing of Hogs? The Annual Meeting of the Haldimand Hog Producers Association will be held at the KOHLER YOUTH CENTRE, on TUESDAY, FEBRUARY 26th at 8.00 P.M. sharp.

The guest speaker for the evening will be Mr. C. W. McInnis, President of the Ontario Hog Producers and Mr. Elgin Sem, District Supervisor Live Stock Marketing, of Toronto. Ladies Welcome. Refreshments served. No charge.

Sanford Steen, President.  
Ross Coverdale, Secretary-Treas.

### Pen, Scissors and Pasted

Commenting on the youth of Canada, Mrs. J. J. O'Connell, one of several Ontario students visiting Toronto said that our young people need to smarten up and suggested compulsory military training as a means of doing it. He on an average low priced automobile they can give to Canada. Military training could put a little more "oomph" in their lives, he said.

The Department of National Revenue have really got a "come on" to get early income tax returns for 1951. The Department has announced that they have \$20,000,000 in over-payments made last year and of course this will not be refunded until the individual taxpayers prove they are entitled to a part of it by completing their returns.

In 1951, the excise and sales taxes on an average low priced automobile were only \$65.00. Today they are going to get out of life, not what they can give to Canada. Military training could put a little more "oomph" in their lives, he said.

*Rocketing to New Highs! . . .*

# 1952 OLDSMOBILE

Now on Display

*Ninety-Eight*

Above, Oldsmobile Ninety-Eight 4-Door Sedan. Below, Oldsmobile Super 40" 4-Door Sedan. "Hydra-Matic Super Drive" optional at extra cost on both series. "GM Hydraulic Steering" optional at extra cost on Ninety-Eight series. Equipment, accessories and tires subject to change without notice.

Meet the most powerful "Rocket" Oldsmobile ever built! The all-new Ninety-Eight - a triumph of fine-car design - Super "88" for 1952! Both bring you the new Oldsmobile's power "Rocket"! ### On the Farm Front

By Haldimand Harry

Are we beginning to place too much dependence on "research" and "studies" and the like? Great advances have been made in the treatment of disease and the introduction of growth hormones and antibiotics has opened a new era in live stock production. However, it is not clear if it was ever intended that the "new" discoveries should take the place of good husbandry.

There is still need for good management in the keeping of live stock. Nothing has yet been invented that will do away with that. The eye of the master fatteners is still the best. Nothing can take the place of good feeding and care along with the proper use of the eye of the breeder or the farmer. Where manure may not be so plentiful it can be made up for at out a bit more time and supervision with a mixed fertilizer.

Did you know that in some parts of the United States farmers use thermometers to tell when the soil is cool enough to sow winter wheat? The reason for this is because the soil roots are less liable to develop when the soil gets down to 65 degrees or less. It is not likely that such a practice will become necessary in Ontario although this may explain why some fields do not do very well during some seasons.

One of the strongest arguments in favour of the application of farmyard manure to the soil rather than selling it, is contained in a report published not long ago by the Central Experimental Farm at Ottawa. Here a test has been going on since 1913 for the specific purpose of comparing manure and chemical fertilizers. To make a long story short, the average of the yields over the 35 year period to 1948, showed that an application of manure gave uniformly better yields than did chemical fertilizer alone and in most instances, yields that were equal to or a little better than manure and chemical fertilizer together.

This would lead one to observe that where manure is plentiful, generous applications of it should give us fairly satisfactory results. In the Haldimand county and on our heavy clay soils it might be better to forego the manure with the addition of phosphate either applied direct to the soil at the time of sowing a crop or in the straw during the winter period. Where manure may not be so plentiful it can be made up for at out a bit more time and supervision with a mixed fertilizer.

The analysis indicated by a soil test in these recommendations it should be noted that manure should be applied to the soil in all cases and under no circumstances should it be allowed to go off the farm.

### Church Notes

**UNITED CHURCH NOTES**

The Wesley Bible Class will hold their Annual Meeting on Friday, February 22nd at 8 P.M. at the home of Mr. and Mrs. Wm. Bailey. All who are interested in the work of this class are invited to attend.

The next Y.W.C. meeting will be February 23rd Thursday evening at 8 o'clock. Ivan Church and Diane Miller are in charge of the program.

**KNOX CHURCH NOTES**

The Boys Hobby Club will meet at the Manse on Thursday afternoon, February 21st. The Stirling City's will meet on Friday afternoon and the Junior Mission Band on Saturday morning.

The Presbytery of Hamilton will induct the Rev. John M. McCulloch, lately minister of Calvin Church, Hamilton, into the pastoral charge of Carleton and Etnobrook, on Wednesday afternoon, February 27th, 1952.

Next Sunday there will be the regular Sunday School and morning worship at 10.00 and 11.00 o'clock.

**KNOX EVENING AUXILIARY FEBRUARY MEETING**

The Evening Auxiliary of Knox Presbyterian Church met for the February meeting at the home of Mrs. James Brown, with the President, Mrs. Charles Swing presiding. The secretary's report was given by Mrs. Brown and the Treasurer, Mrs. E. M. Jones, answered the roll call. The following members volunteered to supervise the table services at St. Patrick's Supper: Mrs. C. T. Brown, Mrs. C. Swing, Mrs. W. Mitchell, Mrs. A. Walker, Mrs. E. M. Jones and Mrs. G. Hazlett. This supper is sponsored by the Ladies Aid of the church and will be held on March 17th in the church basement.

A donation was voted to assist in buying new silverware for the church functions. A donation is also being given to the Eastern Food Fund which was begun by Mrs. T. Lamont of Toronto.

Mrs. C. Townsend gave a concert report on the Presbytery Missionary Society Convention which she had attended recently at St. Enoch's Church Hamilton.

The devotional period was conducted by Miss Bertha Mitchell, who read Scripture lesson. The study book on the chapter "Growth of the Church and State in South America" was given by Mrs. Elizabeth Mitchell and Mrs. Cora McKenzie.

Miss Elizabeth Mitchell read interesting extracts from letters written by Mr. and Mrs. Gordon Saunders of Columbia, South America, formerly of Caledonia and Jarvis.

Laurel Brown contributed a piano solo during the social hour. Two contests were enjoyed. The winners being Mrs. Paul Weidenhoff and Miss Helen Miller.

Lunch was served by the committee. Miss Helen Miller, Mrs. W. Mitchell, Miss Helen Miller and Mrs. E. M. Jones.

The March meeting will be held at the home of Miss Helen Miller. The program will be in charge of Mrs. W. Mitchell and Mrs. J. McIntosh. The social committee is Mrs. J. McIntosh, Mrs. J. Cropp, Mrs. J. Brown and Miss Elizabeth Mitchell.

### CANCOES EDGE GARNET IN EXHIBITION MATCH

WINDHAM DEFEATS RENWATS

The benefit night staged in the N.H.L. last Saturday night was a knock out drag 'em out affair as Cancoes defeated Garnet by a six to four score and Windham defeating Renwats eight to five in the night-cap.

The first game, an exhibition game between Cancoes and Garnet, saw Cancoes grab an early lead, lose it and then come back to win. Gord Miller was thumped at 1:05 for tripping and while he was off of Clark scored from Lyons at 1:25. Dillon from Mullin at 4:40 made it 2 to 0. At 10:10, Jack Philby put Garnet in the game on an assist from O. Phillips. Dalby of Cancoes was chased for hooking at 12:10 and while he was off, Philby scored at the 12:55 mark. Atkins from A. Phillips at 16:40 gave Garnet the lead at the end of the first. One penalty was called in the second, that to C. Nobes for interfering at 8:55. Cancoes tied the game and took the lead in the second as Dillon scored from Allen at 10:25. Philby scored at 11:05. Cancoes led 3 to 2 at 19:20.

Only two penalties were issued in the third, Dalby for playing with a broken stick at 3:25 and Meehan for tripping at 14:55. Garnet were back on that play inasmuch as a penalty shot might have been awarded. At 17:42 Dalby carried the puck up the ice, crashing heavily into Pedro and followed by Allen from Dalby and White ruled it was a goal. It appeared he might have erred on his decision as Dalby was still in the crease, however, that didn't change the decision. After receiving first but Dick Walker got that one back at 18:45. Pedro was able to continue. At 18:45 Pedro revived the Garnet hopes on an assist from J. Philby. Pedro was taken out of the net at 19:30 and with an empty net in play, Mullins broke away and scored a much disputed goal, as Garnet called it he was off-side. Whether he or not it was a needless argument as the game was already lost and would have ended as soon as another face-
