"... saved me days, perhaps weeks, of work"

After returning from his first trip to the West, a business man wrote his bank: "I arrived having no idea where to start in to make the connections I required. The thought occurred to me that perhaps the bank, which has been very helpful to me on numerous occasions, would give me some guidance. Mr. W. proved to be of tremendous help. He introduced me to the people I should have met and saved me days, perhaps weeks, of work."

Every chartered bank works this way. Whether you walk into your neighborhood branch or one a thousand miles away, you will find the same full range of banking service—and the same readiness to help.

Victoria Day Observations

It is not very often that a postponed event turns out as successfully as the Victoria Day celebration which was held last Saturday, May 24th. The postponement of the celebration did not, however, dampen the enthusiasm of the Lions Club members and plans were immediately started to hold the show a week later. Despite this fact, the crowd was up to the standard of former years and from what can be heard they were not disappointed in what they saw.
