Sam Morris has crowned us as the Champion "Jumping Jack." We wonder if that will entitle us to take part in the Olympic Games?

Have You Been Watching EGG PRICES?

On May 29, Toronto was quoting country shippers 37c for A Large. On June 10, Toronto was quoting country shippers 50c. There's a rise of 13c in 12 days!

Not being prophets, we can't say how long or how far this is going to go! But it certainly adds point to the question we've been asking, "When egg prices are UP next fall are you going to be buying or selling?" If you are going to have laying room vacant, it might be mighty good business to order some of these well-started, fast-developing, early-laying, big-egg Bray pullets.

Low June Started Pullet Prices (Our choice of breed or cross) 3 WEEKS, \$25.90 per 100

If you are particularly interested in some one breed or cross, ask for "customer's choice" price...a little higher, but still mighty reasonable. Day-olds, too, of course.

Wisdom has finally broken through in the Fort Dover Maple Leaf campaign to de-hyphenate Haldimand-Norfolk for legislative purposes. Sam Morris says that every county in Ontario should elect a representative to the Ontario Legislature and the rest of the seats be divided among the City constituencies. Now that some of the seats be divided among the City constituencies. Now that some of the seats be divided among the City constituencies. Now that some of the seats be divided among the City constituencies.

Ed Lipscomb voted a gem when he said: "May the Lord protect us from men in public office who feel it their mission in life to do good things for us with our own money"

More about governments: "When the acts and regulations of Governments, and of dictatorial groups who are empowered to act as governments, prevent the most willing from securing exceptional rewards from exceptional effort, migration is to be expected to places where uncontrolled opportunities offer bigger rewards."

EMERGENCY

LADIES AID MEETING - There was a very good attendance of ladies at the meeting at the home of Mrs. Fleming held on Tuesday afternoon. The senior group quilted a hospital quilt while the younger ladies worked on a layette. The President conducted a short devotional period and dealt with several business items. Anyone having used clothing to donate to the hospital is asked to bring them to the Sunday School hall as soon as convenient. The President of the W.M.S. conducted a short meeting with the junior group, when it was decided to organize a society for them. Lunch was served at the close of the meeting.

Church will be held at 9:45 A.M. and Sunday School at 10:45 A.M. from now until the Anniversary service. Mr. and Mrs. John C. Mitchell of Guelph, who were married recently, spent several days with the groom's aunt, Mrs. Leslie Keen. Mr. and Mrs. Edward Kohi and family of Holbrook spent Sunday at the Kohi home.

NEW PARKING AREA - For the convenience of those driving to the theatre, additional parking space is now available.
