(intended for last issue)

The happy heart is that which is content with little things - the heart that loves the simple life, the heart from which there springs a sense of joy with each fresh day - a prayer of gratitude for the morning miracle of health and strength renewed. The heart that builds about itself a shell of quietness, a heart that keeps its faith amidst disaster and distress.

A heart serrene unmoved by envy.

hope unfailing, rich in charity and cheer. No greater gift could be bestowed than this: the happy heart. The world becomes a better place when once we've learned the art of

when once we've learned the art of putting golden edges around the clouds that blow along - of turning sorrows into smiles, and discord into song. Have you a happy heart? Comrade Sully, I personally enjoyed your write-up of last week, very much, and know a good many more did likewise good for you.

did likewise, good for you.

Those of you folk, who have never joined us at the Legion, we extend a hearty welcome to you all.

Drop in

hearty welcome to you all. Drop in the Saturday evening and see what we mean. Thursday, May 15th we all enjoyed the singing and dancing of a charming young lady who did her best to convince Reeve Hobbs that she couldn't give him anything but love. I don't know who enjoyed it more, he or his delightful wife

t more, he or his delightful wife.

### How Much Will YOUR Dollar Buy?

Today, thanks to inflation, our dollar will buy 52 cents worth of goods by comparison with the full dollars worth

The buying power of the dollar has gone down because prices have been forced up. Prices have been forced up lation has exceeded the volume of goods and services

The two main sources of inflation are high government axation and wage rates which are not related to man-

Unless production and wages are held in balance, and unless at the same time non-defence government expendi-tures are held in check, our dollar is bound to lose more
