of the Diocese of Niagara held on Wednesday and T wednesday at 10.00 AM with the debenture debt. We can remember hearing it said in years gone by that when Haldimand was finally free of debenture debt the county rates could be reduced to almost nothing. Contrary to this earlier expectation we find the county rates higher than ever. All of which goes to prove that the only sure things n life are death and taxes.

UNITED CHURCH NOTES

This Sunday at 11.00 AM in Jarvis and 2.30 PM in Grnet, will be our Baptismal Services.

If there is one hockey player in the NHL played down in the Press t is "Red" Kelly. Of course when Haldimand-Norfolk Presbytery will it is "Red" Kelly. Of course when he is referred to it is always as the best defenceman in the league but aside from the absolute facts he gets no glaring headlines. With the point record he has built up again this season, as a defenceman, he should rate with Howe and Richard when it comes to press copy. Someday these sports writers will be forced to give him his due.

Haldimand-Norfolk Presbytery will meet in Wesley Church, Jarvis, on Thursday evening, April 3rd at 8. P.

The Wesley United W.A. will meet at Mrs. C. S. McCarter's on Tuesday afternoon, April 1st at 2.30 P.

RUSTEES MEETING The Annual meeting of the Haldimand County Trustees, High School, Urban and Rural, was held at the Rural Youth Centre, Kohler, on Thursday evening, March 20th, at 6.30 P.M. The Rebekah Lodge of Cayuga catered for the banquet During the banquet Mrs. E. S. Allen, Cayuga favoured us with many Irish numbers on the piano.

Hymn No. 510 was sung for lowed by prayer by Mrs. Duxbury. The secretary's report was read for lowed by the Roll Call. NEW TELEPHONE DIRECTORIES ISSUED

Indicative of the continuing growth of Jarvis and other communities in this area is the increase in the number of new telephone directories which were mailed to subscribers nere last week.

Strange as it may seem creamery butter production in Haldimand dur. Ing January of this year was around ling the same month of 1951. The figures stand at 134,704 pounds this year as compared with 114,869 poundlevel there was an increase of 7.4 per cent in production.

Probably part of this increase in butter production is due to the fact

number of new telephone directories which were mailed to subscribers nere lest week.

Approximately 59,144 new directories were required for homes and business establishments as compared with 52,319 when the last directory was issued, according to F. G. Martin, Bell Telephone manager

Containing more than 20,415 new and changed listings, the 1952 directory is easily distinguishable from last year's buff-coloured book by its green cover. A sufficient quantity of the directories has been printed for all present telephone subscribers and for the estimated number of new chasemers during the next 12 months.

In addition to Jarvis, the directory also contains listings for subscribers in Brantford, Woodstock, Thisonburg, Simcoe, Cayuga, Delhi, Fisherville, Glen Myer, Hagersville, Port Rowan, Port Dover, Scotland, Scikirk, Waterford, Burford, Lynden, Paris, St. George, Ingersoll, Embro, Brownsville, Norwich and Otterville.

B. cause of the many new and changed listings, Mr. Martin urged cubscribers to check any personal lists of telephone numbers against the numbers listed in the new book and to make any changes that are not contains listed in the new book and to make any changes that are not contains listed in the new book and to make any changes that are not contains lepful information as to the listing of emergency num bers.

Selkirk was a played evening, the Rockets, a younger and faster outfit than the Fishermen checked the Selkirk crew so closely that their passes did not click for the whole game. Hooton and Cliff Weaver squared off in a fister duel and both players landed several good punches before the referees got things under control, and handed out majors, plus match misconducts to both players.
