## Lions Club Plan Car Draw To Bolster Community Hall Fund

Supports C.A.S. Appeal

The Jarvis Lions Club decided on Tuesday night to sell tickets on car to be given away at the annual Turkey Draw early in December as a means of raising funds to meet toward the proposed new community hall in Jarvis. A car was given away last year at the same event which proved to be a successful project and it was therefore decided to do it over again.

The Directors of the Club plan to meet next Monday night and the tickets, no doubt, will go on sale shortly after that date. The tickets will sell for \$10.00 each and will be limited to 200 in number. The Club feels that in selling the tickets it will mean, win, lose or draw, a \$10.00 contribution to the Community Hall and possibly a new car as a reward for the gesture.

Lion Les Marshall, Chairman of the Community Hall committee, advised that the tickets will be sold on Tuesday, October 15th and will be held in the near future to try and finalize on new plans for the building and possibly a start on the project to the regular monthly farm radio broadcast.

The Lions Club meeting on Tuesday night was conducted by Lion Lloyd G. Holmes, Vice President. The absence of the Lion Chief Glen Reichelt.

Lion Doug Williamson, chairman of the Program Committee, introduced Mr. Roy McKay, Principal of the Jarvis Public School, who showed a number of films. The films were of a highly educational character and fully merited the regard and enthusiastic attention they received.

Local people who heard the broadcast said it was one of the most interesting and informative they have ever heard.

The Pond Turkey Farm is one of the largest producers of Turkeys in the Province and have gained a reputation for quality over the years. The farm is equipped with a modern cold storage plant which enables the firm to offer a continuity of supply year around.
