We see by the papers the Mayor of Toronto is acrepting a challenge from the Mayor of Montreal to participate in a speed skating contest.

If the Mayors are anxious to find ways and means of making the headines we might suggest robbing some sented, the honour that should go to all competitive winners. They pitted their skill against other master plowmen who have learned through sweat and toil how to turn an even furrow. It was a contest of skill, one evening last week that one can-

"My son has chosen banking"

When a bank manager retired last year. he wrote his General Manager to tell why he was proud his son also had chosen a banking career:

"I shall always recall my banking days banking is also a great satisfaction to me. He is most anxious to make good on his own account."

Any young man on the lookout for an interesting and worthwhile careerfor opportunities to grow and get ahead-should take a look at banking. Have a talk with the bank manager in your neighborhood branch. It may well prove an important turning point in your life.

Dear Mr. Miller:

This letter will probably be just another to add to your collection of criticisms. But Laird, old boy, you are getting a little free in your Pen, Scissors and Pastepot with your own ideas, no matter whether they are detrimental to others or not. Now take your latest slam — belittling a number of Mayors of our Province for entering in the plowing match. Just what harm could be done by that? At least there must still be a few farmers in the land (on whom you depend for your daily bread) who are glad to know there are a few fellow city-bred people who are few fellow city-bred people who are big enough to enter the spirit of one of farmer's big highlights of the year. Maybe in your endeavour to run Jarvis single-handedly you forget that Jarvis wouldn't be on the map if it weren't for the farmers are type that Jarvis wouldn't be on the map if it weren't for the farmers are type to a control of the single property of the strength of the single property of the si

The W.M.S. of Wesley United Church met at the home of Mrs. Stubbs on Tuesday, October 21st. The President conducted the call to worship and the business period. Mrs. Earl Marr read the Scripture reading Hymn 373 was sung. Mrs. S. Church convened the program. Mrs. Doughty and Mrs. Williamson sang a very nice duet. Mrs. Church introduced the programme by pictures showing the location of Angola and the customs of the people. Mrs Packman gave a very interesting picture of "How We Would Be Entertained On Visiting Angola." Mrs. A. Marr's paper dealt with a comparison between the Christian and non Christian villages. Mrs. Lundy dealt with the agricultural condition of the country and Mrs. Blight read a paper on "The Travelling. Schools' Each of these papers showed that a great deal of thought had been given to their preparation. Mrs. Duxbu: y received and dedicated the offering. Hymn 258 was sung and the meeting closed with prayer.

She led several musical music and Shirley Marshall was in charge. She led several musical quizzes, the winner of which was Marion Vokes. Marie Giles played a favourable piano selection. Alvin Kinnear, being in charge of devotions, read the 147th Psalm. Bob Henderson sang a solo and reported on the Baptist Y.P. Conference which was held on October 13th at High Park Baptist Church, Toronto. 20 Young people from Balmoral attended along with hundreds of young people from all over Ontario.

Rev. James McSinley was the speaker there. He possessed a remarkable insight to God's Word and a notable sense of humour. Those who did not attend the meeting certainly missed a blessing.
