First of its kind in Canada is this new wheel truing machine now in operation at the new $1,000,000 diesel plant being completed by the Canadian Pacific Railway at Nelson, B.C. The unit, shown in operation here, permits diesel locomotive wheels to be machined without removing either the wheels or trucks from under the locomotive, and will be used in the servicing of diesel locomotives operating on the Kootenay-Kettle Valley divisions of the C.P.R. in southern British Columbia. Its purpose is to restore by means of specially designed milling cutters the normal contour of the tread and flange of wheels worn by operation of locomotives over frequent, tight curves on the right-of-way through mountainous territory.

Historical Group Visit Brantford

The August meeting of the Haldimand Historical Society took the form of a bus trip to Brantford and points of historical interest in Brant County. These included the Mohawk Church, given to the Six Nations Indians by George III in 1785, where Mr. Elliott Moses gave an interesting talk on the migration of these tribes to the Grand River, stating that it was largely owing to the loyalty of these same Indians that the British were able to retain possession of Canada in the war of 1812 - 1814. At the Mohawk Institute nearby the Queen Anne Communion Set and Bible (which during the Revolutionary War were buried in the earth for more than eight years) were displayed, the latter showing the signatures of many members of the Royal Family, the latest being those of Elizabeth and Philip in 1951.

Other points visited were the Bell Homestead where the party enjoyed a noon picnic lunch; the birthplace of Pauline Johnson, now being restored; and the Brantford Historical Museum, where the Society was received by Miss Jean Waldie and Mrs D. W. Disher of the Museum Staff. A happy coincidence was the visit of Mrs. Ethel Brant Monture at the same hour. Haldimand members thus having the opportunity of renewing acquaintance with the talented author of "West With the Setting Sun."

Jarvis members attending were Mr. and Mrs. R. A. Miller, Mrs. Edith Keen and her brother, Mr. B. Mitchell.

Community Hall Fund Still Continues To Move Upward

Contributions to the Community Hall Fund still continue to climb although hopes of completing the canvass in a two week period have been discarded. The Secretary advises that the canvass has not started in some areas yet. In view of the total contributions to date, the committee is highly encouraged as to the ultimate outcome of the appeal.

Work has not progressed as rapidly as hoped for on the actual building, although from now on there should be a marked change. The huge pile of cement blocks on the job will soon be transformed into the shape of a building.

The Jarvis Women's Institute held their August meeting on Thursday, August 13th at the Hagersville Park. The meeting was the annual Grandmother's Day at which each member took a Grandmother as their guest.

A short business period was held with the President, Mrs. Alfred Marr and Secretary, Mrs. R. A. Miller presiding. Final arrangements were made for those attending Canada Day at Maple Leaf Gardens, Toronto, on Friday, August 21st. The chartered bus leaves Jarvis at 7.45 A.M. A donation of $5.00 was voted to the "Save The Children Fund."

Mrs. David Bradly convened the program with Mrs. Mary Robinson giving the Motto "The Years Teach Much The Day Cannot Know." Mrs. Gerald Fess gave two humorous readings which were much enjoyed.

A program of sports and games was arranged by the sports committee for the afternoon, after which a beautiful bouquet of gladioli was presented to Mrs. Edith Hudson as the grandmother born the farthest away from Jarvis and to Mrs. Gordon Fulsom, the grandmother born the nearest to Jarvis. Mrs. Mary Robinson was also presented with a bouquet as she is the oldest member. Each grandmother present for the afternoon received a red rose.

Following the program a bountiful picnic supper was served. The afternoon concluded with a very appropriate reading "The End of a Perfect Day." Everyone enjoyed the lovely afternoon and many commented that Hagersville Park was an ideal spot for a picnic with the remark "Let's hold Grandmother's Picnic here next year."

The September meeting is to be held at the home of Mrs. Guy Leathong with Mrs. M. A. Collins as program convenor. The public school teachers are to be entertained at this meeting
