IN MEMORIAM

McDONALD—In loving memory of Mrs. Martha McDonald, who died away December 10th, 1952.

Designed for that lower, longer look so prized in modern automotive styling, the new Chevrolts meet other high standards beside eye appeal. The 1954 series have more power, better performance and chassis improvements that will substantially increase the pleasure and convenience of motoring. For 1954, a total of 13 body models are available in three series of cars. The Powerdrive automatic transmission, teamed with a new 125-horsepower engine, is now optional on all cars. Another outstanding development, also available as an option in all series, is Power Steering. Above is pictured the Bel Air four-door sedan.

RUDOLPH IS IN TOWN

Rudolph, the red-nosed reindeer, made his appearance in town this week on the roof of Fred Walker's White Rose Service Station. It is a beautiful reproduction of Santa Claus and his famous reindeer finished in attractive colours. Rudolph, the red-nosed reindeer, when the lights come on at night the display has attracted considerable attention.
