The Community Hall

When the new Jarvis District Community Hall is open-ed, sometime next year, even it's worst critics will feel an ingive lasting satisfaction to all and, particularly those who have

een directly associated in carrying out the plans.

Around \$22,000.00 has been raised to date toward the building. Nearly that much money has been expended in the construction so far and there is still much to be done. The original estimates called for \$30,000 and when everything is

those who have not, or can not visit the building them-What we saw has been the result of much planning

they were gone. It is difficult to understand how anyone illustrate just one of the problems involved New controls have been secured and will soon be working.

The foundation for the building was started in early finishing work and the installation of equipment. As stated before practically all of the available funds have been used

be done by the issuing of debentures. "We made that comresort to a mortgage to prevent a delay in getting the Hall ready to open. The policy to be followed will, of course, fall to the wisdom of the committee However, it would be under-

not finished properly at the present time. If it means mortgaging the property, or issuing debentures, we feel the

ouches undone until a later date. In the meantime there is still hope that further contributions may eliminate the necessity of borrowing. But i these contributions are to prevent a serious situation from at once. It would be nice to be able to continue and complete the job without delay and to have for use of the community a debt free public building.

1953

Very little interest was shown at the nominations for Council and School Trustees for the Village of Jarvis at the meeting held in the Town Hall on Monday evening. About thirty people were present at the PEATHERSTON-BAMFORD

fusion of white narcissis, made a delightful setting for the wedding of Miss Marjorie Edna Bamford, recently on the staff of Jarvis Public School, to Mr. Harvey James Featherston, of Cainsville, R.R. 2. The Rev. Edward J. Shaw officiated.

The bride, given in marriage by her father. Mr. James Frederick Bamford, looked charming in a baller ina-length dress of white chantilly lace with jacket, the skirt falling in tiers over a crinoline. Her elbow-licight with cascade of illies of the valley. Her four attendants, the valley and Miss Mary Boose, were costumed in moire taffeta in the traditional Christmas colours, two being in red and two in green, with long circular skirts, short jackets and matching headdresses, each carrying a white muff adorned with red roses. Wedding music was suppiled by Miss Joan Leslie organist and Mr. Charles Aldrich, soloist, both of Caledonia and Mrs. Vincent Evenden, violinist of Hamilton.

Mr. Howard Featherston supported his brother as best man, while the ushers were Mr. Freeman Bamford, brother of the bride and Mr, H. Keith Charlton, of Cainsville.

For the reception, held at Club 222 Hamilton, the bride's mother wore a teal blue costume, with corsage of red roses. She was assisted in receiving by the groom's mother, wearing a brown lace gown, mink fur and yellow rose corsage.

Leaving on a trip through the Central United States, the bride wore a powder blue dress with navy and powder accessories and fur coat. On their return Mr. and Mrs Featherston will reside on the farm of the groom's parents, near Cainsville.
