On the Farm Front - BRIEF NOTES FOR THE BUSY FARMER - By Halldmand Hardy - Halldmand farmers sent to market a total of 1,571 hogs during the month of November...

Some comparative figures on the cost of pasture, hay and grain were given in this column a week ago. Another set of figures was given by Dr. W. W. Chaplain at their regular meeting last week...

Just in that connection too, we should remember that well managed pastures will do a better job of producing digestible nutrients than any other farm crop...

Rev. W. A. Young, Chaplain at the O.A.C. told the audience at the Wrentham, Ontario was increasing at the rate of 14,000 people per month. Linked with this he stated that a 10,000 increase in population meant an increase in consumption of food to the extent of 1,000 head tons...

The newspaper man's lot is not a happy one. If he expresses strong opinions he's throwing his weight around; if he doesn't he's wimpy and shy. But he has one recompense. If he's more than usually irked he can always unburden his soul in an editorial - even if his fellow men don't read it.
