

Pen, Scissors and Pastepot

We don't know what the popular thinking is in connection with the Jarvis Volunteer Fire Department, but for ourselves it is an organization we regard with the utmost respect and appreciation. In view of the lengthy period in which the local department has functioned with a high degree of unanimity among the members, it can only be assumed that there has been some pretty good leadership somewhere. In an occupation where a high level of knowledge and skill is demanded, particularly in the City Fire Department, where those engaged in it derive their living, it must be the cause of others besides ourselves, who wonder how the local volunteers manage to maintain their keen interest in the organization. It certainly can't be for the money they receive for their efforts. It must be from the satisfaction of doing a necessary and important job for the community.

HOUSE FOR SALE BY TENDER

A 1 1/2 storey, 6 Room frame house for sale by TENDER, located on the North East corner of Main and Peel streets in the Village of Jarvis, the house to be removed from the property on or before the 31st day of July, 1953.

The highest or any tender not necessarily accepted.

IVAN W. HOLMES, Clerk

More for your money...

It's better business to buy Chevrolet Advance-Design Trucks

Here are a few things we think are worthy of your consideration before you buy your truck.

In 1953, Chevrolet trucks are more rugged, have huskier and more rigid construction than ever in the past. This means longer truck life and lower overall costs to you.

You'll find the increased horsepower

and higher compression ratios of the four great valve-in-head engines bring you greater power, greater stamina, greater performance, greater ability to do the job. You'll find that means faster acceleration, greater ability to climb the steepest grades. And you'll find a wonderful gain in gasoline mileage, too!

As any owner of a 1953 Chevrolet

truck knows, these are the sturdiest, most powerful trucks Chevrolet has ever built. In every load range, they have proved themselves to be the toughest, most reliable makers on any hauling job.

Before you buy, drop in at our showroom and talk things over. Let us show you why it's better business to buy Chevrolet Advance-Design Trucks.

MORE PEOPLE BUY CHEVROLET TRUCKS THAN ANY OTHER MAKE!

WEDDINGS

JONES-SMIVELY
Red roses and white peonies decorated the drawing room of the United Church parlour on Wednesday, June 24, at 3 P.M. when Miss Ella Marie Smively, second daughter of Mr. and Mrs. Lyle Smively, R.R. 6, Hagersville became the bride of Mr. Arlof James Jones, son of Mrs. Arlof James Jones and the late Arlof Ross Jones. A double ring ceremony was performed by the Rev. D. A. Packman.

The bride was given in marriage by her father and was charming in a long white Chantilly lace with a full skirt of net over tulle with lace bolero with short sleeves. Her fingertip veil was held in place with a net hand-on-trimmed with seed pearls. She carried a bouquet of white roses and white orange blossoms. Mrs. Gerald Fox of Hagersville, sister of the groom, was matron of honour, wearing a long strapless gown of pale blue tulle lined with nylon net stole with a matching headpiece. She carried a bouquet of white roses. The bridesmaid, Mrs. Lillian Heaton, acted as the groom's best man.

After the ceremony the reception was held at the home of the bride's parents for about twenty guests. The bride's table was very lovely, centered with a three-tiered wedding cake and Mr. Lyle Clark sang appropriate music before and after the ceremony.

A reception for about twenty-five guests followed in the Legion Hall. Mrs. Heaton, the bride's mother, presided at the organ for the wedding music and Mr. Lyle Clark sang appropriate music before and after the ceremony.

The groom's two grandmothers were present. Mrs. J. Patton of Jarvis was sheer grey with a corsage of pink carnations. Mrs. Thomas Guiler of Port Dover, attended the wedding with a corsage of yellow roses and a corsage of yellow roses.

For travelling the bride wore a

more engine power!
Chevrolet Trucks offer you a selection of four famous valve-in-head engines to match load grade and schedule. The two great 235 cu. in. Loadmaster conventional and C.O.E., the 248 cu. in. Torque-master and the 270 cu. in. Workmaster all feature full pressure lubrication and improved Power-Jet carburetion for longer life, smoother performance and extra economy.

more braking power!
Twin-Action Rear Brakes and Torque-Action front brakes, both with long wearing linings effectively sealed against dirt and moisture, combine to provide effective braking for greater safety and driving ease. Torque-Action front brakes are standard on all models. The positive Duo-Shoe parking brake on R.D. models, mounted at the rear of the transmission, eliminates cable stretching and greatly reduces service adjustments.

more staying power!
Now, heavier, stronger, more durable frames increase rigidity, add to ruggedness and moisture, combine to provide effective braking for greater safety and driving ease. Torque-Action front brakes are standard on all models. The positive Duo-Shoe parking brake on R.D. models, mounted at the rear of the transmission, eliminates cable stretching and greatly reduces service adjustments.

more economy!
The new and greater stamina of 1953 Chevrolet Trucks plus extra gasoline economy in every model with improved valve-in-head performance reduces hauling costs per ton-mile, brings you greater overall economy throughout the long life of your trucks.

HALDIMAND CALF CLUB NEWS
- By Alex. List -
The third meeting was held at Russell Hare's on Wednesday, June 24th. Two classes of Heilsteiners were judged and reasons were given. This was followed by a rope halter demonstration and a call leading demonstration. Thirty-eight members were present out of a possible forty-six. Final plans were made for the tour to Woodstock on July 2nd. The three highest scores for judging the two classes for the Heilstein Club were: 1st, Robert Hare; 2nd, Joanne Kew; 3rd, Keith Topp.
The next meeting is to be held on July 15th at the farm of William Hare. In addition to our three Clubs the Dumville Calf Club will be present. We are looking forward to a full attendance.
