LARGE ROADSIDE PARK at junction of Highways Five and Twenty-Four was set aside by Hon. George Doucett, Ontario Minister of Highways, as reserve in perpetuity to serve as setting for Memorial Cairn marking community near St. George where Mrs. Adelaide Hood'ess, founder of the Women's Institutes was born. The Organization she started in 1897 has flourished throughout the British Commonwealth nations and in other Countries. She was moved to that far-reaching action by death of a on from drinking sub-standard milk. Today, as Federated Women's Institutes of Canada join the Ontario Federation in welcoming first Canadian assembly of the Associated Country Women of the Werld in Toronto August 12 - 23, Mr. Doucett hopes that women's influence in Ontario and elsewhere will be mobilized against the selfishness bad manners and refusal to think of others which is the cause of most traffic accidents. In Ontario alone in 1952, traffic accidents resulted in 1,010 deaths; thousands of injuries; and millions of dollars worth of property losses. Vacation School

Closing Ceremonies

A delightful summer's evening was an important feature for the closing ceremonies of St. Paul's Church and Community Vacation School which was held on Friday last. An outdoor service was held on the lawn beside the Church and some one hundred and ten younger members, parents and friends were present. The members repeated their Vacation School Psalm, Prayer, and sang their theme hymn, "God Who Touchest the Earth With Beauty." A short story I alternated and Mrs. Color of the color
