n dium a means of uniting a community of people. A small community prhapp, but a real community. We have many failings, of course, (as a community) but on the question - "What is home withwhole we wouldn't trade it for any place on earth. Differences of opinion are healthy and lets hope we way?" ght the man had in mind when he told the group of social workers that many of the women so engaged From information coming to us it many of the women so engaged it would be doing more for humanity if they stayed home and tended their own knitting rather than trying to make life more beautiful for the rest of humanity.

From information coming to use twill be done regarding a community Hall. It may be that some are getting a trifle impatient because of the fact a start has

We hope the Ontario Department of Highways is profiting from the deal whereby the heavy U.S. Transports were given the privilege of using No. 3 Highway from Detroit to Buffalo We don't mind telling the Department of Highways that this deal inner helicage activities are the described out to build a new Communication of the take money to build a new Commun-his deal is not being carried out swithout some considerable sacrifice on our part. It has been the cause on our part. It has been the cause paced from sixty to forty or thirty Most people know what happens when the driver takes his foot off the excilerator of a heavy transport trave'ling at that speed.
