## McMORMICK

No. 64 Combine

Biggest of the 6 footers

Many farmers report working a full gear faster because of the No. 64's big capacity. The extra big feeder—largest of any combine with full width cylinder—feeds short or shoulder high crops evenly into the cylinder. No slugs, no slowdowns even in thick tangled crops. Save all the crop, putting extra dollars in your pocket. Call and let us tell you how you'll finish harvest faster and do it better with a new McCormick No. 64 Combine.

**HALDIMAND JUNIOR FARMERS AND JUNIOR INSTITUTE MEET**  
"Young farm people should be proud of their calling" said Rev. P. Christensen at the Junior Farmers and Junior Institute Joint meeting on June 11th.

He mentioned the fact that a great many young farm people were leaving the farm for better jobs in industry. "But" he asked "if they all left the farm, who would grow the food for the rest of the population?" He went on to say that we, the farm people, should take great joy in the fact that we are the ones who are growing the food.

In closing he told of some of his experiences on the farm when he first came to Canada. He mentioned that a great many of the young farmers of Scotland and the farming practices carried over with them came to a close and was followed by lunch and dancing.

Don't forget the first of our summer dances on June 25th.

## This Is Your Candidate

Garfield Diemer was born on a farm in Moulton Township, Haldimand County, thirty-six years ago. He was educated in the Haldimand High School. On leaving High School, Garfield served his apprenticeship in a harness and automobile business which he operates successfully today.

Mr. Diemer is married and has four fine youngsters — three girls and a boy — and is very active in the church to which he belongs.

The best man at the wedding was Mr. Diemer. He was a member of the Haldimand County Junior Farmers' Association. He was elected Mayor of Jarvis in 1949.

In this capacity he served so ably and well that he was repeatedly elected Mayor of Jarvis in 1950, 1951 and 1952, and would undoubtedly still be serving had he been chosen to stand.

The area of Brant County is well-known territory to Mr. Diemer because in 1949 he was appointed by the Haldimand County Council to be their representative on the Grand River Conservation Authority and has been re-appointed every year since. He now serves as Chairman of the Finance Committee of this body.

Serving on this organization has brought Garfield Diemer into personal contact with the constituents of both Brant and Haldimand Counties. He realizes the problems to all of which he has made many valuable contacts in Brant County who have informed him on the problems that face the people in that area.

In the field of national politics, Mr. Diemer was the Liberal candidate for Haldimand in the Federal election of 1949 and he very recently "upped the apple cart" in this traditionally Conservative riding. He was elected in 1952.

Meeting our candidate, one is immediately impressed by his straightforward manner, his ability to grasp the meaning of a situation and to act accordingly. In his past political career, Mr. Diemer has shown a keen sense of fairness and a complete lack of bias. One feels that here is a man to represent us on the Government side of the House after the forthcoming election.

Garfield Diemer is a man of many talents. He is a successful businessman, a dedicated public servant, and a loyal citizen. He is the ideal candidate for the position of Mayor of Jarvis.

Vote for Garfield Diemer on June 25th.
