Pen, Scissors and Pastepot

— By Allan Aude —

In order to conjure up thoughts to put in this column the editor should have time to put his feet up on a desk and ponder the events of the week. The trouble is we can't find a desk with room enough to get our feet up on. Actually there are many things to talk about this week but they all deserve serious consideration and we just haven't the time.

For example much could be said about the editorial in last week's issue of the Maple Leaf demanding that Norfolk be detached from Haldimand. It is quite a while since we have heard anything about the merits of our neighbouring county and it is indeed refreshing to read about the nice things the Maple Leaf editor has to say about Norfolk. Unless you read about things of course, they are hardly noticeable. We must however, take exception to the reference to "diminutive Haldimand" and "underclass us." Does he not remember the story of David and Goliath? And besides would it be possible to get better Provincial representation?

Supplying the Defenders of FREEDOM

One of the biggest jobs in the Army — and, in fact, in Canada — falls to the ROYAL CANADIAN ORDANCE CORPS. This Corps has the huge job of obtaining and distributing everything the Army requires from shoe laces to tanks — over 220,000 different items.

As the Canadian Army grows, the job of Ordnance grows. Right now more men are needed — men who can qualify as storemen, clerks, tailors, shoemakers and canvas workers. The Army will train men in any one of the many different trades and skills required by Ordnance. Once trained, the young man who serves in this Corps will find truly outstanding opportunities for promotions.

With general conditions of service, pay and pension plans at an all-time high, and a trade and build an unusual and important career for yourself in the Royal Canadian Ordnance Corps.

You are eligible if you are 17 to 40 years of age, tradesman to 45, physically fit and able to meet Army test requirements. Applicants should bring birth certificate or other proof of age when reporting for interview.

Church Notes

UNITED CHURCH NOTES

The film "The King's Man" shown on Sunday evening at the Wesley Church was deeply moving as it was entertaining. It was the story of a young coloured boy who became a preacher on his own people and hence a good example of what the white man ought to be doing more enthusiastically than at the present time for the natives of such so-called backward Africa.

On Sunday evening the evening services will be along the Missionary lines. Mrs. A. Macpherson is to speak and her daughter, Janet will sing. Janet is a coming singer and those who hear her at the High School, Hagersville, will not miss this chance at Jarvis. The Women's Missionary Society is in charge of the service. The ladies of the Missionary Society will take place of the ordinary choir. All friends are cordially invited to attend. Service at 7:30 P.M.

On Friday of this week, the Adult Education Committee are holding their sixth annual meeting of Haldimand-Norfolk presbytery Women's Association to be held in Waterloo. This is in charge of the past year will be presented by leaders of various departments in a revealing summary of the year's work.

The President, Mrs. Harry Leedham, will preside and the Hon. Mrs. James Macpherson will preside at the high school, Hagersville, will not miss this chance at Jarvis. The Women's Missionary Society is in charge of the service. The ladies of the Missionary Society will take place of the ordinary choir. All friends are cordially invited to attend.
