

Pen, Scissors and Pastepot

The suggestion has been made that if we had Hog Marketing Boards in all the Provinces and a National Board at Ottawa, it would be possible to make deductions from the prices paid to the producers when prices are high, and use the money to create a stabilization fund from which payment could be made to the producers when prices are low.

The proposal is not very complimentary to the hog producers; it seems to doubt their ability to handle their own money.

If such is the case, if the hog producers really need someone to take care of their surplus cash, we suggest that their wives would be very glad to perform that service for them and at far less cost than the proposed marketing boards.

Our dog "Pinto" is in a state of dequency this week. She knows Newt Marshall is back from his annual deer hunting expedition, but she also knows there is no deer meat around. "Pinto" has been looking forward to his return with great expectation and had been calling on the neighbours with great regularity this past week. She knows now she is doomed to disappointment. It's rather shabby treatment for a dog or "Pinto" character.

Allan Landy maintained his record by getting a deer the first day out, and brother Wray, on his first deer hunting expedition did likewise a few days later. The only conclusion we can reach is that the Landys hunt deer while Newt must have been hunting something else.

Our errors are always brought to our attention after we correct our maling list. Despite what some people may think we do try and get it corrected every few years. These errors do have their advantages, however. We received a letter this week from Wray Hagerman's better half who assured us that Wray's subscription was paid up and not a year behind as the label shows. This is the second or third time this has been brought to our attention, and in just as frequently we have neglected to make the correction. Just to cross the field toward Knox Church cemetery. For all we know he is whole affair we are going to mark still there.

You're "sitting pretty" behind the wheel. Take this Bel Air model. Rich-looking upholstery and appointments—roomy, comfortable seats with foam rubber cushions. Just turn the ignition key to start the engine and you're ready to go.

You get more power on less gas. Here's all the power and performance you could ever ask for. In Powerglide® models, you get the most powerful engine in Chevrolet's field—the new 115-h.p. "Blue-Flame." Gearshift models offer you the new 108-h.p. "Thrill-King" engine.

You can see all around. You see all the road ahead and see it close in. For you look out and down through a wide, curved, one-piece windshield that sweeps back to narrow corner posts. The panoramic rear window and big windows provide a clear view in all directions.

And it's the lowest-priced line. Chevrolet offers you about everything you could want. So what's the point in paying more? You can be ahead in every way with a new Chevrolet!

*Optional Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Ten" and Bel Air models at extra cost.

The Hagerman's label up a couple of years. We do hope that by so doing it will not put future correspondence from our friends in the telephone city.

Mr. T.V. and his staff have been putting their bumps this past week. It should be enough to take care of that angle of the business for a while.

Timber wolves are sure our meat. We even found one scratching at the door the other day. We simply opened the door and invited him in. Fred Fawcett was noticed running to make the correction. Just to cross the field toward Knox Church cemetery. For all we know he is whole affair we are going to mark still there.

Hagersville High School Notes

— By Kathryn Vokes —
A service commemorating Remembrance Day was held in the gym on November 10th. The school orchestra under the direction of Mr. Hutcheon, provided music for the occasion. Mr. Smith was capably assisted by Rev. Burgess, Rev. Macpherson, and several of the students. The students paid tribute to the soldiers who gave their lives in the First and Second World Wars.

The business manager of the Maclean-Hunter magazine subscription contest reports that the students have made two hundred and twenty-five dollar selling magazines. The public who co-operated wholeheartedly with the students called we would like to say "Thanks". Special prizes for selling magazines were awarded as follows: Highest Seller for the First Day, Larry Jackson; Highest Seller for a Special Day of the contest, Elizabeth Spiller; Highest Seller for the Maclean's exclusively, Diane Miller; Highest Seller during the entire contest, Larry Jackson. Second, Beverly Hunter, Third, Bob Hunter. The Student's Council would welcome any suggestions from the students concerning the school equipment which they would like to buy with the money they have earned.

The full-length pictures of the staff and students, taken just after school started, arrived on Monday morning. Anyone who desires one or more of these fine pictures may get them at Mr. Smith's office for \$1.25 each.

Mr. Smith called Shirley Hill and Pearl Gowan to the front of the assembly on Tuesday morning and commended them on winning "The Stoddard Cup" awarded to the highest pair in the Dual Purpose Shorthorn Calf Club. He praised them for their hard work and wished them success in winning more trophies next year.

A School Dance will be held on Friday evening, November 27th. The proceeds will be used to buy new basketball uniforms for the boys. Friends of the students are welcome.

HALDMAND JUNIOR FARMERS AND JUNIOR INSTITUTE
Mr. Alex. Henry talked to the Junior Farmers about farm machinery and gave a preview of the new trends in the different machines. Each company is advancing. He also showed a film consisting of these pictures: Solberg, home of Mozart, the glory of Paris, Life in Yugoslavia under the present rule. Mr. Smallfield explained about the new project "Making a Living on and Building Up a Haldimand Farm". Miss Grace Vollick and Miss Josephine Bird gave a travelogue on Bermuda. They also had many slides on the scenic beauty of this resort island. Miss Jean Davis, Home Economist talked to the girls about a new project in connection with the Kinnear Tray.

After the meeting the boys and girls joined for lunch.
