### Judge Kinneer Awarded Degree

By Lewis Milligan

Cuyaga and Hallamand County were equally honoured on Friday last when Judge Kinneer was awarded the degree of Doctor of Laws at the Convocation commemorating the Centenary of University College of the University of Toronto.

The eight who received Honorary Degrees were: Most Rev. Walter Barfoot, Primate of the Church of the American Methodists Association and a leading surgeon; Moderator Rev. W. A. Cameron, of the Presbyterian Church; Her Honour Judge Helen Kinneer, County Judge of Hamilton; Sir Ernest MacMillan; Louis Raminsky, of the International Monetary Fund; and Rev. A. A. Scott, Moderator of the United Church, all of whom received the Degree of Doctor of Laws; and Mr. K. C. Cameron, former editor of the "Saturday Night" the degree of Doctor of Letters.

That Judge Kinneer should have been chosen as the one to represent the legal profession to receive a degree is indeed a mark of distinction and one that we in this community know is well deserved.

The Centenary of the founding of University College was marked with a three-day program starting on Friday and continuing through Saturday and closing with a service of dedication in Convocation Hall on Sunday. At the President's luncheon on Friday Her Honour Judge Kinneer responded to the toast in the graduates.

James Eccles, Brantford, Ont., first tractor plowing champion of the world, 8 and 9. He defeated plowmen from ten other countries and Robert Timbers of Stouffville, Ont., Ontario and Canadian champion. Timbers placed third in the world match. Eccles, winner of the world trophy, the Esso Golden Plow, and Timbers will also compete in the second world match in Europe next fall. They will travel as guests of Imperial Oil.

### Hagersville High School Notes

By Kathryn Vokes

Last Thursday afternoon the Hagersville boys played soccer with the Caledonia boys in the 4th game of the season. The game was a close one, with Hagersville winning 2-1. The boys were very good, and the game was well played.

A team of two boys, Edwin Hill and Dell Sevensper, represented Hagersville in the Inter-School Tractor Plowing Competition held just recently at Cobourg, Ontario. They placed fourth out of twenty-three teams from across Ontario. Considering the competition they met, one realizes they must be better than average plowmen.

Miss Alice Chappert came to school on Thursday afternoon and demonstrated the latest mode in hair styling for the girls of Grade X. Two members of the student body were lucky enough to be chosen to be the recipients of the "hair do".

We were sorry to hear last week of the death of the father of Mr. and Mrs. Wm. L. More of Selkirk, Ontario. He was in very poor health, and his death was a great loss to his family.

Don't forget the Hallow'gn Masquerade Party to be held in the gym on Friday evening, October 30th. The party will be a great success, and all those who wish to attend should be there by 8 P.M. Free admission, 25c costumed and 35c not costumed.

### TO THE EDITOR

#### Volences Mr. Murdoch

For 740 years too late! blood and tears removed these treasures from the bowels of the earth. That wealth can never be returned. Organized labor votes to go on strike only as a last resort when all other means of agreement have failed. The trade union is a democratic organization whose primary purpose is to bring a better standard of living to the worker and his family. The men and women who are interested in the maintaining the union should be a delegate member in which he and a small group of wealthy companions control the majority of the share capital. Current events indicate that Mr. Murdoch has forgotten both a trust and a responsibility. He seems more interested in swindling his shareholders than in the welfare of his shareholders or his workers.

The check-off is only a red herrings. Industry all over the world has accepted it as fair and logical. We farmer members of the fluid and concentrated milk producers have the check-off in our unions. We get it without a quiver. We get our "busses" in annual meetings.

There are articles for rent copy for Labor bailing our consumption. Their purpose is obvious, divide and rule. They are written and overstate the guilt of the farm people.
