**LIFE GUIN DEALER**  
The cost of living went up in July for the third successive month. The price index rose from 115.4 to 115.7. Life table just announced recently. It shows that oil, gasoline, hospital rates and knitting yarn. Now went farm products, reflect the shift in the initial payment for wheat and lower prices for potatoes, rye, peas and raw wool. This overbalanced small gains for eastern bar, corn and western grain.
