The truck that's built to last! CHEVROLET does more work per day... more work per dollar! You Save Hours on the Road. Thanks to new high-compression engine power, you can maintain faster schedules without driving at higher maximum road speeds. Increased acceleration and hill-climbing ability let you save time where it counts. And you do it with greater safety and economy! You Save Time on Deliveries. With new truck Hydra-Matic transmission, you save valuable time at every delivery stop. And you can forget about clutching and shifting for good! This proved, economical, automatic transmission is optional at extra cost on 1/2-, 3/4- and 1-ton models. You Save with Lower Upkeep, too. New Chevrolet trucks are built stronger to last longer and save you money on maintenance. For example, there are heavier axle shafts in two-ton models... bigger clutches in light- and heavy-duty models... stronger frames in all models. And Your Savings Start the Day You Buy. In fact, they start with the low price you pay - and they never stop as long as you own a Chevrolet truck. And Chevrolet is also the truck that has a traditionally higher trade-in value. Most trustworthy trucks on any job! Chevrolet Advance-Design Trucks. LUNDEY & HENDERSON JARVIS, ONT. PHONE 95
