BRIEF NOTES FOR THE BUSY FARMER

— By Haldimand Harry —

Army worms are again on the march in some parts of the province. So far no reports have been received of any outbreaks in Haldimand County. That does not mean there will not be any as there is still plenty of time for such to take place. The crops showing greatest damage are usually oats, barley and pasture and where there is a shortage of these, crops the worms have been known to move into the corn crop. Haldimand farmers should be on the watch for an outbreak and be prepared to deal with it immediately.

-oOo-

Experience gained in former outbreaks has indicated that poison bran baits are the most effective means of control even though considerable labour is involved. The recipe is as follows: Bran - 25 lbs.; Paris Green - 1 lb.; Molasses - 1 to 2 quarts and water - about 2½ gallons. This should be enough for an acre. The dry ingredients are mixed and then the molasses is stirred into the water. The dry and wet materials are then mixed together until the mass resembles damp sawdust - crumbly but not sticky. The bait should be broadcast in the evening by men, moving across the field close enough together so that it can be spread to give complete coverage of the ground surface.

-oOo-

In the case of corn fields it has been found that the worms do not always return to the ground but remain in the leaf sheath during the day. Poison baits are then not effective and a DDT spray or dust is used so that some of it will get into the leaf sheath. For spraying a DDT 50 per cent wettable powder at 3 to 4 lbs. or 25 per cent emulsion concentrate at 3 quarts in 30 gallons of water per acre is used. When using a tractor and most farmers are these days, you will find any one of the bulletins in this series of great help. Be sure to pick up a set the next time you visit your agricultural representative. They are free for the asking.

-oOo-

Don't forget the second annual Chicken Barbecue to be held at the Rural Youth Centre on Friday, August 13th. This will be a repeat of the very successful event of last year. Already plans are well advanced and new features are being added. There will be more chicken, more program and the price has been reduced. Be sure to get your tickets on or before Monday, August 9th so that the committee can make adequate preparations.

cow in the herd. This will vary, however, and it would be a very good idea to secure one of the new circulars that have been prepared on the subject and entitled "Feeding Grass Silage." It gives in some detail the amounts to be fed and the meal mixtures that should go along with the silage. A copy can be had from your agricultural representative Ask for circular No. 222.

-oOo-

Another circular has been added to the series on tractor operation. This one deals with Power Transmission and covers fairly thoroughly the principals involved in the operation of the clutch, the transmission, differentials, etc. There is also a section dealing with power take-off and pulley systems. OBITUARY

Al DELL

One of Selkirk's oldest lifelong residents passed away on Wednesday, July 28th, 1954, in the person of Al Dell. A son of the late Levi and Martha Dell, he was born in Rainham Township on September 2, 1869 and had spent his whole life in Selkirk. He was the last surviving member of a family of ten children. Following in the footsteps of his father, Mr. Dell had been a painter and paperhanger all his life.

On November 4, 1896, he was married to Fannie Smeiser, of Rainham, who survives, along with a family of nine children: Mrs. Hubert Ham (Martha) of R.R. 3, Port Dover; Marwel, of Windsor; William, of Cayuga; Orval, of Jarvis; Mrs. James Martin (Alice) of Selkirk; Mrs. Russell Best (Gertrude) of Toronto; Mrs. Sanford Sevenpifer (Leotta) of R.R. 4, Jarvis; John R., of Hamilton, and Mrs. Elmo Hoover (Fannie) of Aylmer. Sixteen grandchildren and eight great-grandchildren also survive.

The funeral was held from Mott Bros Funeral Home, Hagersville, on Saturday, July 31st. Services were conducted by Mr. Walter Sheli minister of the Selkirk Baptist Church. Interment was in the Selkirk Union Cemetery, the pallbearers being Ernest Hoover, Ross Nunn, Alfred Sherk, Russell Baxendale, Elmer Dennis and William Yager. The many beautiful floral tributes bore testimony to the high esteem in which deceased was held in the community where he had spent his whole life.

CHEAPSIDE BIBLE SCHOOL

The concluding program of the Cheapside Bible school, resulted in an open air meeting last Friday night, marked the climax of the two-week course for the boys and girls in attendance. Each of the 10 classes from the kindergarten to grade 10, made an excellent appearance on the program. Of the 315 enrolled the was an average attend of 247. 136 received certificates for perfect attendance and 37 were awarded the Herald Press diploma for having satisfactorily completed the three-year course.

This has been made possible for the boys and girls of our community by the interest and fine co-operation of every one concerned. Commendation is due the superintendent, Mrs. Orland Teal of Springvale, for her whole-hearted and competent supervision.

The management was greatly facilitated by our Baptist friends giving the free use of their church in the Village, and by the use of Mr. Henderson's commodious bus, which brought in a full load each day. Our thanks for these favors. We pray that the Lord will reward every service and make Cheapside a place of worthy citizens and devout christians.

AT HOME

Arena Sold In Move To Wind Up Affairs Of Jarvis Arena Ltd

Before the end of the current year the last trace of the Jarvis Arena will be gone, according to present plans. Tenders for the Arena building were received last week and the tender of Mr. Ernest Person, for the sum of $500.00 was accepted by the Arena Co. Directors, with the stipulation that the building be dismantled and removed from the premises by December 24, 1954. The decision to dispose of the building followed the collapse of the roof earlier this year.

The Jarvis Arena has, over the years, been the center of much community activity. While the ice surface was too small for organized hockey in this present age, the hardwood floor was the finest considered one of the best in the district.

The Jarvis Arena was purchased by a group of citizens in 1922 from the Village of Port Rowan. A Limited Company was formed and shares were issued. The building was dismantled at Port Rowan and erected on the present site. The Arena Company functioned actively in the management of the building for three or four years, but from that time on the affairs of the Arena have been left largely in the hands of organizations. These organizations included the Jarvis Booster Club, a group of ladies; the Jarvis Athletic Association and latterly the Jarvis Lions Club.

Earlier this year a number of shares in the Arena were transferred and a new Board of Directors was elected. The new Directors decided to offer the building for sale by tender with a view of winding up the affairs of the Company and surrender the Provincial Charter. Any assets left in the hands of the Arena will be turned over to the Jarvis Community Hall to reduce the indebtedness against the New Hall.

Sandusk W.I. Celebrates Half Century Of Achievement

Beautifully decorated by floral arrangements in the Institute colors of royal blue and gold, the Cheapside United Church was the setting for the celebration on Thursday afternoon last, of the Fiftieth Anniversary of the Sandusk Womens Institute.

Mrs. Elvin Pond and Mrs. Chas. Ionson received the guests at the door, after which the President, Mrs George Marshall, presided as chairman for a well planned program. Extending a gracious welcome to all present, Mrs. Marshall introduced Rev. E. M. Sider, pastor of the United Brethren In Christ Church, of Cheapside, who conducted a heartfelt devotion period.

Mrs. Byron Pond, the oldest member, then gave a comprehensive the story of the work, joys and sorrows experienced in fifty years of endeavour for "Home and Country." Other members of long standing included Mrs. Lorna Dougherty, Sandusk, Mrs. John Walker and Mrs Chas. Brown, of Jarvis, and Mrs. J. R. Pond of Simcoe who, speaking for all these honoured guests regretted the fact that she no longer was active in Institute work which had been very close to her heart during her early life at Sandusk. The absence of Mrs. Elizabeth Werner, an older member who is in poor health was noted and a box being sent to her. Letters of regret at being unable to attend were received from many former members now living at a distance. These included Mrs. Herbert Peacock, Mrs. Viola Beaton, Mrs. Evelyn Stewart, Mrs. Bessie Awde, Mrs. Clair Deal, Mrs. Cecil Jarvis, Mrs. Ethel Lofthouse and Mrs Violet Precious.

Visiting speakers included Mrs. George Ridley who spoke on Institute

VARENCY WOMEN'S INSTITUTE

The Varency Women's Institute held their August meeting "Grandmothers Day" in the form of a picnic at S.S. No. 17 school grounds. There were four grandmothers present and fourteen children. Mrs W. E. Doughty opened the meeting. Contests and games followed, winners in these were Mrs. W. E. Doughty, Mrs Craddock and Mrs. H. K. Saunders. The mystery prize was won by Marilyn McKenzie. After several games of Bingo everyone enjoyed a bountiful picnic lunch.

The September meeting will be held at the home of Mrs. Wilfred DeVries on Thursday the 2nd. Please note your program for lunch — a lunch-box exchange.

work across Canada and brought greetings from the Federated Institutes as a member of the Dominion Board, Mrs. Lewis Keefer, President of West Haldimand, congratulated Sandusk on its past record and called for renewed effort in the years to come when, different times will present different problems and particularly she called for fellowship and understanding for the new Canadians

Mrs. R. A. Miller, Federated Representative brought greetings from that body and also from the Jarvis group of which Sandusk has been the senior branch, no others having reached the half century mark. She stressed the close co-operation of the branches within the group, and paid tribute to the men of the community who had made it possible for the women to attend the meetings. Referring to earliest days she mentioned the fact that the Institute was sometimes regarded as a suffragette movement and often suffered ridicule. Those days are past and all communities are richer for having establishe d Institute branches in their midst.

Musical numbers by Mesdames Hartley Mattice and Elmo Murphy and by Miss Janet Short and Mrs Ariel Whitelaw were greatly enjoyed.

Corsages were presented to all speakers and to senior members, these being the gift of Mrs. Wm. Bray. The floral decorations were by Mrs. Elvin Pond. Mrs. Elvin Mackey of Sandusk thanked all who had helped in any way toward the success of the meeting while Mrs. Reuben Shoup of Springvale voiced the appreciation of all present for so enjoyable an afternoon.

Dainty refreshments were served under the direction of Mrs. Wm. Nicol, secretary and Mrs. Wilfred Krouse, Mrs. Russell Pond, Mrs. Roy Awde, assisted by the daughters and granddaughters of the founders of the branch. The beautifully decorated cake made by the President, carrying out the Institute colors and complementing the floral arrangements, centered the handsomely appointed tea table.

During the social hour which followed old acquaintances were renewed, reminiscences exchanged and good wishes for the future were expressed.

Many took the opportunity to admire the splendid appointments of the new church. Guests were present from Garnet, Nanticoke, Jarvis, Cainbrasail, Willowgrove, Hagersville, Holmes, Selkirk, Springvale and Varency.

SOFTBALL NOTES

MIDGETS —

The Jarvis Midgets eliminated Nelles Corners in two straight games last week in the first round of the play-offs. They are now hiding their times until winners are declared in the other two rounds between Nanticoke and Rainham Center and Selkirk and McGaws.

In the play-offs with Nelles Corners the Midgets showed plenty of improvement and should prove a real threat for the league championship. Bob Hazlett has been pitching steady ball and his teammates have greatly improved in fielding and batting. Roy Keefer came through in the final game with Nelles Corners with a beautiful catch in center field with runners on base and two out. The game ended 13 - 12 for Jarvis.

INTERMEDIATES —

Selkirk team looked as good as their win on Saturday night when they beat Jarvis 3 to 1 The Selkirk team made the most of their chances and played brilliantly in the field. Joey Dennis touched his mound rival, Johnny Edwards for a four bagger, which was in reality the only earned run of the game. Errors accounted for the others.

Edwards on the mound for Jarvis turned in his usual brilliant performance. Oscar Phillips, his receiver, has been filling a very difficult position with credit to himself. Gordon Miller, both at bat and in the field, looks like the choice of the team behind the battery.

The team plays the first start in the Provincial Playdowns next Monday night at Simcoe and will play back here on Wednesday. The park should be packed on this occasion.

Memorial Window Will Be Dedicated In Christ Church

On Sunday morning at 10.00 A.M., August 15th, on the Ninth Sunday after Trinity a very joyous occasion in the life of the historic Nanticoke Church will take place, when a new Memorial Window is unveiled.

During the past week the magnificent piece of stained glass was installed in Christ Church by the Luxfer Studios of Toronto and is the gift of Miss Alice Robinson, of Jarvis, formerly resident of Nanticoke.

This excellent memorial is being given to the honour and glory of God in loving memory of Moses Robinson 1829-1908 and Elizabeth Parkinson 1840-1917. The subject matter of the exquisite art work is the author of the Fourth Gospel, Saint John the Evangelist, "the beloved disciple of our Lord." The window reflects the characteristic note of the Gospel, the light of truth that overcame the darkness of the world. There is a great historical significance in the subject of Saint John, as the congregation of Christ Church was mothered by two itinerant Missionaries of parishes of St. John of the pioneer churches of Haldimand and Norfolk Counties. The Reverend Francis Evans of Saint John's Woodhouse and the Reverend Bold Cudmore Hill of Saint John's, York, both men shared in the early ministry at Nanticoke and the Evangelization and establishment of the Christian Church in this area.

The Sacrament of Holy Baptism will be administered by the Rector, when the son of a great nephew of the window will be initiated into the family of the living God, the Christian Church. Roderick Charles Wilburn, son of Mr. and Mrs. C. E. Wilburn of Agencourt will receive the Apostolic Rite of Holy Baptism.

The sermon will be preached by the Reverend C. E. Snowden, D.D., of the Memorial Church of Saint Paul Overbrook, Philadelphia. And assisting in the service will be the Reverend Ralph E. Porritt, a former Nanticoke resident and now Rector of the Parish of St. John's, Nassagaweya, and St. George's, Lowville.

Memorial flowers are being presented to the honour and glory of God by Margaret Parkinson, in loving memory of her parents and brother, the late Moses and Winifred Robinson and Flying Officer Robert Robinson (reported missing on active service with R.C.A.F. 1942.)

Flowers are also being given to God's greater glory by Bert Robinson Ionson and Evelyn Stewart in loving memory of their mother, Jane Robinson.

Every cribbage player hopes for the day when he can peer on a perfect hand. Bert Kendry, who has been playing cribbage for the past thirty-seven years has been hoping and waiting. He was rewarded last week with a twenty-nine hand. Holding the five of clubs, diamonds and spades with the jack of hearts, the five of hearts turned up. Needless to say he skunked his opponents, Lloyd Smith and Orlo Smythe.
