SPORTSMEN OR VANDALS ?

Individuals with either guns or fishing tackle, passing themselves off as sportsmen, have repaid kindliness with shocking bad manners in the use of a host's property in this area. Our farmers are wondering how many of the recreation seekers are actually sportsmen in the full meaning of the term and how many are simply destructive vandals.

On The Farm Front

BRIEF NOTES FOR THE BUSY FARMER

— By Haldimand Harry —

Just in case you have some real good fall wheat seed for sale and you have not heard the recommended price, they will be repeated here as follows: Commercial No. 1 Seed - $1.60 per bushel; Registered No. 1 Seed - $2.00 per bushel; Registered No. 1 Genesee Seed - $2.15 per bushel. These prices recommended by the Seed Marketing Committee of the Ontario Soil and Crop Improvement Association, are for retail sales f.o.b. farm or local shipping point, bags included and treated.

-oOo-

No Dwarf Bunt is permitted in the registered grades this year and all wheat for registration is doubly checked, first by field inspection and again by microscopic inspection of the grain to assure freedom from this disease. All wheat seed should still be treated before sowing. The newer varieties are resistant to loose smut but are not resistant to Stinking Smut or Bunt. Seed treatment will control this Smut although it seems to have little effect on the Dwarf Bunt.

-oOo-

Heavy loss and severe damage to stored grain has been caused each year by insects such as the granary weevil, saw-toothed grain weevil, flat grain weevil and confused flour beetle. Much of this is needless if the necessary precautions are taken to control the pests. A new circular entitled "Stored Grain Insects in Farm Storage" has just been issued and if you have had any trouble you should have a copy. It gives full and complete information on methods of controls, insecticides and fumigants and protectants. Be sure to get a copy from your agricultural representative.

-oOo-

Haldimand hog producers marketed 1,279 hogs during the month of July. This is 116 more than during the same month in 1953. However there were actually fewer top grade hogs in the lot and the percentage stands at 26.11 as compared with 30.0 per cent for July of last year. There were considerably more B1's, B2's and Lights this year. Quite frankly, the situation is serious and unless farmers are willing to give more attention to the quality question we are very likely to lose out on what has been a very lucrative market for Canadian homemaker does not like fat pork and if she cannot get what she wants she will turn to some other types of meat.

-oOo-

Latest figures would seem to indicate quite a drastic revision in the number of sows that have farrowed recently. Last December farmers reporting indicated an increase of 36 per cent over the previous year (37 per cent in the East and 34 per cent in the West). Now it appears that 15,500 fewer sows actually farrowed than were anticipated. The greatest shift seems to have taken place right here in Ontario. On the basis of this change, hog marketings this fall will show a much smaller increase (a-bout 16 per cent) than had been forecast.

With more and more farmers being equipped with home freezers or having access to locker plants in cold storage, the Ontario Department of Agriculture has recently revised its bulletin on "Freezing Foods". This is a complete compendium on the selection, preparation, packaging and freezing of foods for home use. There are sections dealing with fruits, vegetables, poultry and meats. In connection with the latter, the cutting charts alone make a valuable addition to any farm library. Be sure to get a copy from your local office of the Department of Agriculture.

WOODHOUSE COUPLE CELEBRATED 50th WEDDING ANNIVERSARY

Mr. and Mrs. Clarence A. Finch, well-known residents of Woodhouse Township ,celebrated their Golden Wedding Anniversary with a turkey dinner at the Cove room of the Erie Beach Hotel on Sunday for the immediate family, with 39 present.

Mr. and Mrs. Finch were married August 2nd, 1904, in the Jarvis United Church parsonage by Rev. J. Wyse, and spending eight years on a farm east of Jarvis, they came to this district 42 years ago. For the past 37 years they have resided on their farm on No. 6 Highway, east of Port Dover.

Mr. Finch, 72, is a son of the late James J. Finch and Marietta (Anderson) Finch, of Walsingham Township. He has two brothers, Stanley and Blake, both of Hamilton, and two sisters, Mrs. George Childs and Miss Bernice Finch, both of Toronto.

Mrs. Finch, 66 was formerly Maud Reynolds, daughter of the late George and Eliza Ann (Eagle) Reynolds, Woodhouse Township. She has two brothers, John Reynolds, Simcoe, and Thos. Reynolds, Port Dover, and four sisters, Mrs. Geo. Secord and Mrs. Floyd Underhill, of Detroit; Mrs. Chas. Ionson, Jarvis and Mrs. Robt. Laidlaw, Hagersville.

Mr. and Mrs. Finch have a family of four sons and one daughter, Mrs. Arnold, Elgin, Raymond and Jack; Mrs. Earl (Nettie) Awde, Mrs. Earl (Jessie) Reid and Mrs. Arthur (Eileen) Austin, all of Port Dover. They have 14 grandchildren and two great-grandchildren.

PRESENTED WITH WATCHES

On behalf of the family, Mrs. Awde presented their mother with a gold wrist watch, and Arhold Finch presented their father with a gold watch and chain. Both the gifts were a complete surprise to the recipients. On behalf of the grandchildren, Miss Marie Finch presented their grandparents with a vase containing 50 golden mums.

Following the dinner, the family returned to the home of their parents for a social evening.

★ GOLDEN WEDDING ANNIVERSARY ★

MR. AND MRS. MORGAN F. HEWSON

508 Main Street East, Hamilton, Ont., will quietly celebrate their Fiftieth Wedding Anniversary on Tuesday next, August 24th. Mr. and Mrs. Hewson have lived in Hamilton for the past few years, but the greater part of their married life was spent in the Village of Jarvis, Mr. Hewson operated the Commercial Hotel here for many years. Prior to that Mr. and Mrs. Hewson were in business in Montreal. They have one daughter, Mrs. Charles Hazlett (Ruth) of Hamilton and one son, Earl Hewson of Providence, Rhode Island, also five grandchildren. The anniversary occasion will be marked with a quiet family dinner on Tuesday.

County Council Will Discuss Assessment Problem Friday

The County Council will meet on Friday of this week and will attempt again to find a solution to the equalized assessment problem which has arisen as a result of the Appeal entered by the Township of Walpole.

The by-law establishing the 1954 Assessment was passed two months ago relatively unchanged from past years against the protest of the Township of Walpole who later entered an appeal. Walpole Township claims to be paying in excess of $12,000.00 annually more than it's share of the costs of County Administration and the complaint is registered against the urban municipalities in the County.

Involved in the dispute is the matter of appointing a County Assessor. Applications for such an appointment have been asked for by a special committee of the Council and, it is understood, several have been received, and that the committee is now ready to recommend such an appointment.

If the Council in session Friday fails to reach a compromise agreement on equalization the whole matter will come before a provincially appointed board. As has been pointed out the result of such a hearing could run into thousands of dollars and the possibility of a satisfactory settlement is in no wise assured.

The importance of an agreement being reached by the County Councillors is growing among the taxpayers. The feeling is that the money spent on a Board hearing might better be spent in essential services to the County.

The result of this final effort to reach an agreement will be looked forward to with anticipation following Friday's meeting.

4-H Club Judge Ayrshire Cattle

A meeting of the Haldimand Holstein and Mixed Dairy Calf Clubs was held on the farm of Ken Saunders, Nanticoke, on August 16th at 8.00 P.M.

Two classes of Ayrshire cattle were judged - a class of mature cows in milk and a class of dry 3-year-old heifers. Club members gave oral reasons for their placings to H. Ivan Bell and club leaders Wm. Oster, Ivan Lofthouse and Glen Howley. Following this, Mr. Bell gave the official placing.

The clubs separated for individual business meetings. Plans are under way in both clubs for exhibits to be shown at Caledonia and Simcoe Fairs While the Mixed Dairy Club completed their business, the Holstein group enjoyed a short sing-song under Ivan Lofthouse's leadership.

Mr. Bell reminded the group of the bus trip on August 20th arranged for all Calf Club members and leaders in Haldimand County. Plans have been made to visit Toronto Elevators Limited, Leitchcraft Farms and Massey-Harris Farms. There is a great deal to see at each of these places and the trip is well worthwhile.

The meeting was adjourned and a delicious lunch was served by the ladies.

Midgets Meet Onondaga

The Jarvis Midgets play their first play-off game on Friday night of this week when they meet Onondaga. The return game will be played here the first part of next week.

Johnny Edwards Is Hero Of Play-off Series Against Simcoe

Ace Moundsman Has Forty Three Strike-Outs In Two Games---Figured In Five Of Team's Six Runs

Johnny Edwards, ace moundsman for the Jarvis Intermediate "B" entry in the O.S.A. play-offs virtually won the first round of the play-off series against Simcoe single-handed. His sacrifice bunt in the first innings of the first game at Simcoe, on Monday night, put the winning run in scoring position. In the second game his three-bagger cleaned the bases for the first three runs and in drawing a play on himself to second base in the eighth innings, enabled the fourth and winning run to score and win the game. "Red" Kelly was the runner to score the winning run in Simcoe in the first game, and he was also on third base with the winning run in the second game of the series.

CARD OF THANKS

I wish to take this opportunity to thank the many friends and neighbours for flowers, cards, gifts and other acts of kindness during my stay in the hospital and since my return home. — Mrs. David Dunnett

This Week - -

Specially Written for the Record
— By The Canadian Press —

More than 100 soldiers armed with rifles and bayonets, and city and provincial police went to the aid of Kingston Penitentiary guards to quell a two-hour riot of about 200 prisoners.

The Sunday after-breakfast calm was turned into a scene of turmoil and destruction as the convicts apparently bent on distruction, used cigaret lighters and matches to set fire to inflammable material in the print, mail, carpenter, tailor, mason-ry and tin and paint shops and the stables.

The outbreak, worst in the prison's history, was blamed on arsonists and psychopaths by some officials Others said they didn't know what caused it, that there had been no recent grievances. One unidentified convict said it was part of a planned mass break.

Damage was estimated at between $1,000,000 and $2,000,000.

NO BREAKOUT

The only move resembling a break out attempt came when prisoners made a rush at a gate but guards drove them back with gunfire.

There were no serious injuries. One guard suffered bruises. None of the convicts was anywhere near escape.

The trouble came about 11.00 A.M. while 400 prisoners were assembled in the yard for a baseball game. Guard Robert Wylie was hit with a baseball and managed to escape.

About 200 others joined their rioting cellmates and spread antong out buildings in the big prison yard. Within an hour they had taken over half the grounds while another 200 stood around and watched the uproar.

Most fire damage was confined to the shops and warehouse at the rear of the prison.

Little violence was evident from the roadway outside the front gates but inside the yard and cellblock corridors were littered with pop bottles broken glass, pieces of wood, broken doors and other debris.

There was little or no hand-to-hand contact between prisoners and guards. When the riot started, guards rushed from the yard and manned the walls to prevent escapes. Later, guards, police and soldiers entered the yard and advanced in a solid line backing convicts to a wall.

Seconds before the outbreak Les McCallum, keeper of the keys, heard a commotion and locked himself in a lookout dome over one of the shops. Officials said he had the keys to the prison control centre and that his action prevented prisoners from gaining entry to that vital spot from where many doors and grills are electrically controlled.

McCallum stayed in the dome about an hour and escaped in dense smoke by disguising himself in a pair of prisoner's overalls.

The riot came less than two days after a fire caused considerable damage to the roof of two of the main cellblocks. One convict said the earlier fire was the premature prelude to what was to have been a big escape attempt.

Kingston's entire fire department was called to the prison on a general alarm but was stopped at the gate until the riot was over.

Officials feared prisoners might use arson and wreck equipment.

ENGAGEMENT

Mr. and Mrs. W. J. Elliott wish to announce the engagement of their daughter Shirley Eva, to Robert Keith Fitch, son of Mr. and Mrs. Herbert Fitch, of Courtland. The wedding to take place September 11.

SELKIRK TROUNCE OTTERVILLE IN SERIES OPENER

Dennis held Otterville to two hits, both in the sixth inning, which gave them their lone run. Selkirk had 13 hits with one error, while ten errors were chalked up against Otterville. The second game of the series was played last night.

OBITUARY

MISS M. ODESSA DYER

(Port Dover Maple Leaf)

Many old friends in the hometown community of Port Dover were grieved to learn of the death in Trenton memorial hospital on Thursday morning of Miss M. Odessa Dyer, second daughter of Mrs. Lena (Meade) and the late Harry H. Dyer of Port Dover. She was in her 58th year and death followed long months of severe illness.

Following her school days at the local public and high schools, she was employed for some years in local office work, and later was engaged in similar work in Toronto until forced by ill health to retire since which time she has made her home in Trenton with her mother and sister (Mrs. Nile Bingeman) by whom she is survived, as well as another sister, Mrs. Clarence Smith (Fraisa) of Jarvis. She was a member of St. Paul's Anglican Church and throughout her residence here was also a member of St. Paul's choir.

Miss Dyer is resting at the W. B. Thompson & Son Funeral Home on Avenue, Port Dover. Funeral service was held in the Funeral Chapel on Saturday, August 14th, at 2 P.M. Interment was made in the Port Dover cemetery.

CARD OF THANKS

Edward's superlative pitching held the hard-hitting Canadian Tire to three runs in the second game. Kimball, the first batter in the game, went to first when hit by a pitch, and scored when Lamb fumbled Taylor's drive to short stop. The Simcoe team was retired in order until the sixth when Wilson walked. Kimball went out on a grounder to short and Cooke was retired on a grounder to second. Maurice Bausch laugh, a veteran of the sandlot wars after being struck out five times in succession by Edwards in the two games, poled a long one out of the park for a home run. In the next three innings only ten batters faced Edwards. Lamb's error put Sitter on first, but he grabbed Wilson's grounder for the third put-out at first to retire the side in the eighth. The other batters went down via the strike-out route.

Taylor started the game on the mound for Simcoe and held Jarvis scoreless until the seventh when Edwards drew a throw to second to enable Kelly to score. In the eighth Meehan got on an error and scored on Lamb's hit to center field.

In the first of the ninth Bausiaugh Taylor and Walker struck out in order.

JARVIS BLANKS SIMCOE IN PLAY-OFF OPENER

It was Johnny Edwards all the way in the Intermediate "B" playoff opener between Jarvis and Simcoe, in Simcoe's Wellington Park, on Monday night. Only twenty-nine batters faced Edwards in the nine inning affair and he set twenty-one of them down by the strike-out route. Pasinek, on the mound for Simcoe, also did a fair pitching chore with fifteen strike-outs to his credit.

The only scoring of the game came in the first innings. Jankowski flyed out to right field and Reid Kelly was given a free pass to first. He advanced to third on Johnny Edwards' bunt and scored on a quick sprint on Gordy Miller's grounder to short. That ended the scoring of the game. Len Cooke was credited with Simcoe's only hit of the game when he topped a pitch to send the ball over Kelly's head on the first bounce. He didn't get beyond first however, as the next batter to the side was retired with three strike-outs. Only three batters faced Edwards in the next four innings. In the sixth he issued a free pass of the game, but again came back with three in order to retire the side. In the top half of the eighth Walker walked and advanced to third on a couple of pitches that got past Phillips. With one out and a runner on third, D. Taylor lofted a high one to Meehan on second, which he took easily and relayed a perfect throw to the plate retiring Walker by a mile and retired the side.

Jarvis fans were very much in evidence in the Simcoe bleachers and it was evident they were behind their team all the way. They saw a championship performance in the first playoff effort and will definitely be back for more of the same.
