capable, that is definitely not the case as a whole. A standard of the quality is set for the appointing of a judge to our Judicial Court.

own initiative, their home raising rather than three R's taught them in the little red school house. Let us be progressive. Just as in ten years the mill cranes will be on the side of the dusty road in the hot sun and the icy blast will be resting in the attic along with the spinning wheel because you will be sending your milk to the factory or the city in tank trucks so will the little red or wooden schoolhouse be historic folklore; that will tell our grandchildren about what the horse and buggy and the blinder.
