FORCEFUL WRITING

THOSE WHO stress the three "R's" as the pillars of education have the support of Ontario high school examiners.
The examiners, who marked Grade 13 English examination papers last year, found that many high school students violate the simple rules of grammar and misspell the commonest words.

OUR OLD MAN OF THE SEA
I HAVE A PARTNER in my business from whom I would like to be freed.
He is not a helpful partner, he has never invested anything in the business; nor does he contribute anything in the way of management or direction.

QUOTE FROM YESTERDAY
It is not the oath that makes us believe the man, but the man the oath.

PRESERVING OUR HISTORY
A PIONEERING country has little concern for the story of its own progress.
Its settlers are so busy making their way against obstacles that they have no time for retrospection.

QUOTE FROM YESTERDAY
It is not the oath that makes us believe the man, but the man the oath.

The Ox and the Frog
A LITTLE FROG was playing about at the edge of a pool when an OX came down to the water to drink.
In fear, the little frog swam home. "Why are you frightened?" asked his mother. "An enormous creature with four legs came to our pool this morning," replied the little frog. "Enormous, was he? Was he as big as this?" asked the mother frog.

MORAL: Growing bigger takes time—and hurry-up methods are apt to be risky.

Pen, Scissors and Paste

The first week in January is usually a tough one for members of the fourth estate.
If there is one group of persons who feel that each year should be rung in with some sort of suitable recognition it is this group.

THE BRITISH UNITED PRESS, having in mind no doubt that the work must carry an offered this page over to New Year's Eve revelers.
For a safe and sane pick-up-up, says the B.U.P. vicinas should do two things - (1) Provide food that is easily digested and (2) help the stomach to shift into high gear and run smoothly again.
