

With weather like this there is just one thing we can think of and that is Northern Ontario. We appreciate that some of our friends do not hold the northland in the same affection as we do but that must be because they have never visited the northland in the right company. Larry Pond was in the Lake Ontario District last week and on his return agreed that nothing we had told him about it was exaggerated. Even the fish, he says, were much bigger than we had suggested.

To make matters worse Bob Smith was kind enough last Christmas to send us a gift subscription to "The Northern Sportsman." The Northern Sportsman just arrived in the mail and the June issue is even more enticing than usual. It is full of pictures of fishermen casting their lines in scenic lakes and landing some of the most beautiful fish we have ever seen. Peculiarly enough not a single fish like the one in rare instance can be detected on the brown cover like the one the other day when

YOUR HYDRO Safeguards Ontario's Airlines

Today . . . tonight, airplanes wing their way along the airways of Ontario, guided surely on their course by beams of electrical waves. A dependable supply of low-cost electric power has been a major factor in making air transportation in Ontario, safe and economically sound. Electricity supplied by Ontario Hydro powers all major installations in the Province's airports.

It operates the transmitters that bring last-minute weather reports, the radar and direction finding equipment that enables the crew to "see in the dark," and the modern, airport signal and guide lighting that has helped to reduce hazards to a minimum. It is another example of . . .

Held at St. Paul's
St. Paul's Junior A.Y.P.A. held their first Spring Banquet on Friday evening, which was marked by a large attendance as they were also hosts to All Saints' A.Y.P.A. of Hagersville.

The Banquet room at the Parish House was gaily adorned with the traditional blue and white streamers, the colours of the Young People's organization, being accomplished at the hands of Miss Janet Butts and Miss Leona Stone. Spring flowers were in abundance and added to the charm of the occasion. A magnificent cake inscribed with the A.Y.P.A. motto was the centre of attention.

Jack Cooke is showing his versatility again this week by managing the pictures of fishermen casting their lines in scenic lakes and landing some of the most beautiful fish we have ever seen. Peculiarly enough not a single fish like the one in rare instance can be detected on the brown cover like the one the other day when

The delightful salad supper was served by a committee of mothers of some of the members. After a hearty singing conducted by Miss Fleming assisted by the Rector, the President welcomed the guests from Hagersville. Mr. Gary Jackson, President of the All Saints' Association, responded capably.

The speaker of the evening was Mr. John Elliott, President of the Niagara Diocesan Youth Council, who spoke on the theme "For Christ and His Church." In his remarks the speaker pointed out the avenues of service that are available to young people and noted that the challenge is there for each one to accept. He also spoke of the recent Youth Rally held at Ancaster and of the delightful time had at that same meeting.

On Tuesday, June 8th, at 10:00 A.M. in All Saints' Church, Hamilton, the Right Reverend W. E. Bagnall, D.D., Bishop of Niagara will ordain two men to the Priesthood of the Church, at an impressive ceremony in the downtown Church. The two Deacons to be ordained are the Reverend B. C. Purcell and the Reverend W. Munday. The Bishop will be assisted by Canon S. Kirk, Reverend E. H. Patterson and H. R. Bagnall, Archdeacon R. C. Blagrove will present the candidates. The service will be sung by Reverend Clarence Mitchell, the Epistle to be read by the Reverend Canon F. C. Jackson, and the Gospel by Archdeacon W. F. Wallace.

(Intended for last issue)
The W.A. meeting which was held at Mrs. Abraham's on Tuesday afternoon was well attended. As the meeting was called to order, the President, Mrs. Stalwood, read a very effective poem, following this was the hymn and prayer. Mrs. Packman after taking charge of the devotion period, gave a talk on Christian Stewardship, stressing Christian duties and service. Mrs. P. Johnson read an article on Lord's Day observance, giving statements which would seem to set aside the fourth commandment regarding the Sabbath. After a short business session, the meeting was closed. A social time was then enjoyed by all, during which a beautiful luncheon was served by the hostess and committee.

(Intended for last issue)
The Ladies Aid and W.M.S. of Knox Presbyterian Church were entertained at the home of Mrs. Chas. Powell on Tuesday afternoon.
