Johnny Edwards has built himself quite a reputation as a strike-out arindications are that he is also a master at goal scoring in the realm of hockey. Our scouts inform us that in the first two games of the tri-county intermediate Hockey League competition he has scored five goals. Intermediate "C" competition. Don Mitchell, of Jarvis, is also a member of the team. The Fisherville Club prefers to be called the Fisherville Combines, inasmuch as players are drawn from Jarvis and Hagersville to ch of the team. With Jarvis players

THEY'RE

Flying Colors!

ON DISPLAY TOMORROW WITH

THAT NEW "Go-Ahead" LOOKI

HERE

Congratulations Andy Johnston!

When Andy Johnston of the American Hotel in Jarvis called us in for advice on how to improve his hotel so he could make it more attractive to his customers, we suggested that a Canadian hotel doing a good responsible job in a Canadian community should in some way reflect the life and people of that community.

Andy agreed wholeheartedly, and between us we conceived the idea of decorating the hotel with several hundred pictures of Jarvis, the country around, and the people who live

Andy Johnston's keen interest in the work reflects his keen interest in Jarvis and the country surrounding, and in the people among whom he and his family have come to live. Andy is mighty proud of Jarvis, and when you see the improvements he has made to the American Hotel, we of Hotel Decorating Service are sure that Jarvis will be just as proud of Andy. OUR BEST WISHES TO BOTH .

massive new front-end design .

headlights . . . a dramatic new flair at the sides! It's Oldsmobile's daring new "Go-Ahead" look! New power, too,

with the "Rocket" 202! This means 202 horsepower in the mightiest "Rocket" yet! New color, with the widest selection

ever in brilliant new "flying color" patterns! New interiors
... a superb new "Rocket" ride ... all the newest new ideas
on wheels! See us and see the car that's out ahead

Newness is everywhere from road to roof! And when you swing

wide a door you open a wonderland of rich fabrics and

eather, deep carpets, delightful trim. Performance reaches new heights, too! The new "Rocket" 202 Engine is up in
