REPORT FROM OTTAWA
(continued from page one)
Parliament. When President Eisenhower was here in November, for example, there were numerous meetings with press, radio and television people, as well as security bodies such as the R.C.M.P. Perhaps Secretariat-at-Arms people were in the Parliament Buildings when they were under the control of Col. Franklyn, and even the vaunted F.B.I. members were told where to stand and what to do.

Perhaps Secretariat-at-Arms Franklyn summed it all up rather well when I asked him what he looked for in a man. He said, "You've got to be tough but human, and have a lot of 'moo' in your vocabulary."

In case of dispute, Auctioneer's Decision final.

BRIEF NOTES FOR THE BUSY FARMER

By Haldimand Harry

According to the latest information there is a total of over 6,000 bushels of Registered Winter Wheat ready for seeding right here in Haldimand. This is a record for the county. The wheat is being grown by local farmers, has passed the field inspection and is an estimated 535 bushels in the County of Haldimand. The balance is 3,375 bushels in Genesee variety.

There really should be no excuse for any farmer not getting a supply of good seed this fall. The Seed Marketing Committee of the Ontario Soil and Crop Improvement Association has been notified by the Seed Marketing Committee of the Ontario Soil and Crop Improvement Association that the price of seed wheat at \$1.20 per bushel is a fair price for the farmer. Amount Hope Eliminated Two Straight In Hard Fought Series

A fourth inning fielding error by C. Guyatt on Glen Lamb's score in the second game of the Intermediate "B" play-off against Mount Hope on Friday night to give the local team the zone championship. The game attracted an estimated two thousand people which well indicates the wide interest in the series against Mount Hope. It was a pitcher's duel with Johnny Edwards, the Mount Hope, and a no-hitter and wild card, Darcy Parker, fanned seventeen, but allowed two hits, neither of which figured in the scoring.
