JUNIORS HOLD PLOWING MATCH

One of the most successful Junior Farmer Plowing Matches ever to be held in the Norwich County took place at the farm of Freeman Nixon, near Hagersville, on Friday, September 24th.

Fifteen contestants took part, plowing a total of 20 lands. The work was of a high caliber, and the competition particularly keen. Mr. Frank Leslaw, of Simcoe, the judge for the occasion stated that seldom if ever had he seen better plowing done at a Junior match.

One feature that was new this year however, was the horse plowing, which usually drew at least a couple of entries at this match in former years.

The classes entered and the winners in each class are as follows:

Class 1 — Tractor in Sod: Open to boys under 20 years of age who have never won a Prize at this match previous to 1954 and to all boys under 15 years of age — 1st, Gordon Walton; 2nd, Earl Vokes; 3rd, Keith Reid; 4th, Clayton Hunter.

"Did Mummy ask you to sweep the floor?"

"No, Marie, she didn't. But I always sweep up whenever I've finished a job, just like you help your Mummy by keeping your room tidy and always putting away your toys when you're through with them."

Making just that little extra effort is part of the telephone job. Bell people everywhere go out of their way to be orderly, courteous, obliging. You can see in the way they work they're "glad to be of service!"

It all adds up to better telephone service—service that keeps on giving more and more value to the user.

AGREEMENT to find employment. Old age should not be looked upon as a sign of going downhill. Instead it should be recognized as a sign of a man who is in the prime of his life and who is able to do a job. When a person 50 years or over seeks employment, he should be given the same consideration as a younger man. The man of 50 is not old, he is middle-aged. He has the experience and the energy of a younger man. He is a valuable asset to any employer. He is a man who can be relied upon to do a job well and to stay with it.
