J. S. MITCHELL, Secretary.

On The Farm Front

BRIEF NOTES FOR THE BUSY FARMER

— By Haldimand Harry —

Dr. A. A. Johnson of Cornell University in speaking to the "Crops" Convention last week stated that it was only the "Penny-wise and pound foolish" farmer who would attempt to use anything but the best seed. Unfortunately there seem to be a few farmers who still do not give much attention to this very important feature in the growing of a good crop. In a seed drill survey conducted last spring here in Ontario, 24 per cent of the grain samples were rejected. This is almost inexcusable these days when there are plenty of facilities available for the cleaning of seed.

-oOo-

Dr. Johnson went on to show that the cost of good seed over poor seed was a very small item in the total cost of producing a crop. In fact, in most cases, it was not much more than 50 cents per bushel or probably an average of $2.00 per acre and yet there is nothing that will give such a great return for the little increased investment than will good seed. Added to this of course is the use of good varieties. It is no longer necessary for any farmer to use second-rate varieties.

-oOo-

W. P. Watson, Livestock Commissioner for Ontario, in reporting to the same "Crops" Convention stated that in 1954 the cattle populations in Canada reached almost the 10 million mark and that our marketings during the year were almost 2 million head. As a matter of fact there was an average of 31.000 head per week sold through inspected plants. The amazing thing about this was that all of th's meat was sold in Canada there being less than 6 per cent of it going into export. Canadians were eating meat at the rate of 65 lbs. per capita last year as against 44 lbs. in 1951.

-oOo-

In his review of the past year, Mr. Watson pointed out that 1954 was a good pasture year and that there was a considerable increase in the production of milk. Approximately 31 per cent of this went into the fluid trade while 45 per cent to 46 per cent was absorbed in the manufacture of butter. Butter therefore would seem to hold the key to the future since there is such a large volume of milk used in its manufacture. Mr. Watson's opinion was that the sale of 20 million pounds of surplus butter to institutions would not materially affect the situation unless the selling price was such that a larger quantity of butter would be used.

-oOo-

As for the future, Mr. Watson said that with more cattle more hogs, more milk and probably slightly less poultry there is not much hope for the maintaining of high prices except in those cases where support prices apply. Consumers spend about 5 per cent of their income on meat and about 22 per cent on food of all kinds. All in all a great deal will depend on how much the public will have to spend. Those in the business world seem to be reasonably optimistic regarding the future but farmers and others as well have to keep in mind that the export market for Canadian foods and materials is not very bright. The U.S. market is about the only one that is open to us and that is showing signs of sagging badly because of increasing surpluses over there.

-oOo-

Haldimand's 10th Annual Farmers' Week is just a little over a month away and strong committees have been at work planning programs for each of the five days. A preliminary prize list for the seed fair has also been issued and if you did not receive a copy just drop a note to the Department of Agriculture office in Cayuga and one will be mailed to you immediately. It is time now to start the preparation of the exhibits for this event. There will be special programs for the ladies on two of the afternoons. Be sure to keep the week of March 7th to 11th open for this important event in Haldimand.

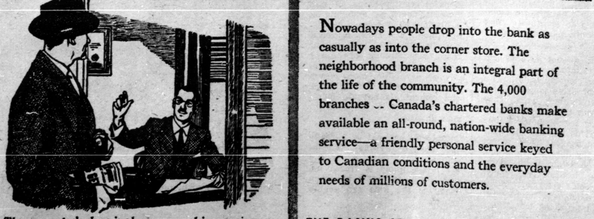
Banking the way you like it . . .

Today's bank is a bright, pleasant, informal place, where service is both efficient and friendly.

People use the bank for many purposes—to deposit savings, arrange loans, buy travellers cheques . . .



The manager's door is always open—his experience, knowledge and judgment will be useful to you.

Nowadays people drop into the bank as casually as into the corner store. The neighborhood branch is an integral part of the life of the community. The 4,000 branches -- Canada's chartered banks make available an all-round, nation-wide banking service—a friendly personal service keyed to Canadian conditions and the everyday needs of millions of customers.

On The Farm Front

BRIEF NOTES FOR THE BUSY FARMER

— By Haldimand Harry —

Haldimand County wound up the year 1954 with only about 50,000 lbs. less butter having been made than during 1953. The figures for December have just come in and they show the trend of more being made with 163,457 lbs. for the month as compared with 138,243 lbs. for the same month last year. The total for the year was 2,210,891 lbs., whereas the total for 1953 was 2,260,490 lbs. On a provincial basis there was an increase of 3.62 per cent for the month and 1.25 per cent for the year.

-oOo-

A total of 319 bulls have been consigned by 158 breeders for the annual Ontario Bull Sale. On a breed basis there are 152 Herefords. 136 Shorthorns and 31 Aberdeen Angus in the offering. The Shorthorns will go on sale on Tuesday, March 8th while the Herefords and Angus will be sold the following day. The sale will commence at 10.00 in the morning of each day. A number of the bulls being offered will be from sires that have been tested under the Advanced Registry Policy for beef cattle.

-oOo-

Most farmers have been greatly confused by the large number of varieties of seed corn that are available. It was most difficult to know what varieties were best adapted for any one region. This has now been greatly simplified and it has been sadly done too. All the varieties have now been listed with a number (there are 53 of them on the list) and the province has been divided into five zones. A simple table shows the early, medium and late varieties both for grain and for silage for each of these zones. All a farmer has to do now is to consult the map, discover the zone in which his farm is located and then consult the table. All of this information is included in a little leaflet which you can get from your Agricultural Representative. If you are growing corn at all it would be wise to get a copy.

-oOo-

Exercise is still good for dairy cows. As a matter of fact the University of Wisconsin is recommending daily exercise even in the coldest weather. It is pointed out that cows getting more exercise, will eat more hay and this will likely cut down on the grain bill. It is suggested too, although some farmers may not find it practical, that cows be turned out for a few days. One of the great advantages of the daily exercise routine is that it permits easier detection of cows in heat. The cows should be turned out in the morning after the evening feeding and preferably kept on the south side of the barn. Young cattle will also be the better for the same outdoor treatment.

-oOo-

Don't forget about your seed supplies for the coming spring season. Some farmers are already looking around for a supply. What about yours? It is not too early to be at least thinking about it. Right now there is a plentiful supply of registered seed available and if you are in need of a change nothing would be better than to start again with seed of this quality. Last week it was reported that one seed survey last year showed that 24 per cent of the seed being sown was below No. 3 grade and should never be put in the ground in fact one sample had a total of 900 weed seeds per pound which is normal seeding of 100 pounds per acre would mean the sowing of 90,000 weed seeds per acre. No wonder we have a weed problem !

-oOo-

Be sure to mark the week of March 7th on your calendar now This is Farmers' Week for Haldimand County and a real bang-up program has been arranged for each day. One of the highlights of the week will be the addresses by Dr. F. S. Nowosad of the Central Experimental Farm at Ottawa on Monday and Tuesday. Be sure to hear these talks on hay and pasture crops.

—O—

Mr. and Mrs. R. J. More spent the week end in Toronto visiting Mr. More's brother who underwent a serious operation recently.

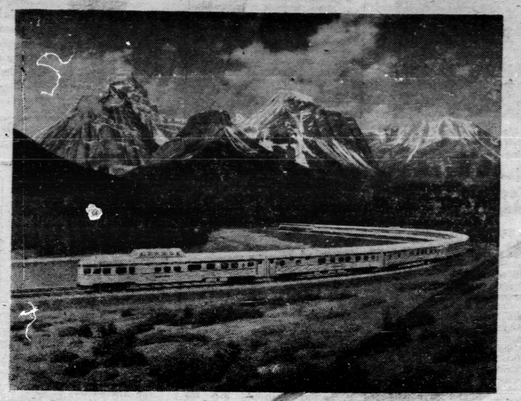
IN MEMORIAM

SMITH—In loving memory of wife and mother, Mrs. Rose Smith, who passed away February 7th, 1954.

Peacefully sleeping, resting at last
The world's weary troubles
And trials are past.
In silence she suffered,
In patience she bore,
Till God called her home
To suffer no more.

May her soul rest in Peace, Perpetual light shine on her. Ever remembered by husband and Family.

★ "THE CANADIAN" CUTS TIME ★



Equipment such as this, powered by diesel locomotives, will enable the Canadian Pacific Railway's new streamliner "The Canadian" to slice 16 hours from the present Westward transcontinental schedules when the all-stainless steel train goes into service April 24th. The new train will travel the 2,881 miles from Montreal to Vancouver in 71 hours and 10 minutes, and the 2,704 miles from Toronto to Vancouver in 67 hours, 55 minutes, reducing the trip by a full night in each direction. The latest in accommodation, includes de luxe coaches, a skyline coffee shop dome coach in which meals or snacks can be obtained at popular prices, a modern electrically-kitchened dining car, new "Manor" and "Chateau" sleeping cars, and the newest thing on Canadian rails - scenic-dome lounge-observation sleeping cars.

Lions Consider Plan To Improve Park

Under the leadership of Ted Montague, President of the Jarvis Lions Club, consideration is being given by that body to a plan for improvements at the Jarvis Park. Discussions have already taken place with the Village Council relative to an agreement for the park to be operated by the Lions Club.

Although nothing definite had taken shape as yet the members of the Council have expressed approval of the idea pending further discussions.

A committee composed of Dave Banks, Geo. W. Walker and A. L. Miller met the Council at the February meeting and gave a broad outline of developments that might take place through the leadership of the Lions Club. It was pointed out that the actual ownership of any building or development undertaken by the Club would be vested in the Town and that the liason between the club and the town should be vested in a park committee, appointed by the Town, similar to the present Community Hall Board.

The history of the park was briefly reviewed during the discussions and it was pointed out that the development of the park since it was first turned over for that purpose was entirely through the initiative of individuals and organizations and that the Town, as a corporate body, had done little, if anything, towards its development.

It was pointed out by the delegation that if an agreement was reached with the Council for the Lions Club to operate the park that they must have a free hand to undertake whatever improvements they saw fit.

It is expected the matter will be discussed further at the March meeting of the Council.

—O—

Among those attending the Ontario Plowmen's Association Convention in Toronto from this district on Monday and Tuesday of this week included: Raymond Montague, Bill Snowdon, Blake Field, Freeman Nixon, Frank Ford, Roy Sitter, Gordon Skinner and Malen O. Wilkins.

OBITUARY

JOHN HUFFMAN

John Huffman, formerly of Cayuga passed away at the Norfolk General Hospital, Simcoe, on Saturday, February 5th, in his Sixty-fifth year.

He leaves three sisters, Mary (Mrs. William Bunn) Niagara Falls; Louise (Mrs. Richard Cassidy) Jarvis; and Elizabeth (Mrs. Thos. Swartz) Niagara Falls.

A family service was held at the home of his sister Mrs. Richard Cassidy, at Jarvis, on Tuesday afternoon, thence to the United Church at Cayuga, for service at 2.30 o'clock. Rev. Paul Christoffel conducted the service and interment was made in Riverside Cemetery, Cayuga. The pall bearers were: Michael Conally, John Shipway, Ross Mehlenbacher, Charles Smith, John Eubank and George Robinson.

DIED

McDONALD—In the City of Edmonton, on Sunday, February 6th, 1955, Jennie McDonald, beloved wife of Dr. Cecil U. Holmes and dear sister of the late Dr. Malcolm A. Donald of Hagersville, in her 79th year. Interment was made in Edmonton on Wednesday, February 9th.

ANNUAL MEETING

The Annual Meeting for Nanticoke Community Hall will be held on Tuesday, February 22nd, 1955 at 8.30 P. M. in the Hall. Business of the meeting will include the election of new Board members. All those interested are urgently requested to be present.

—O—

Mrs. Herbert Copeland returned to her home in Bracebridge on Monday of this week after spending some time with her husband here. Herb's many friends are happy to see him back to work again after several weeks illness.

Whats About The Weather ?

Those fellows who have been making considerable headway in leading people to believe our winters are getting gradually milder were seen sneaking out of town last Wednesday night. People will take unfounded propaganda up to a certain point, but then they rebel.

We know several gullible characters who gave their long underwear to the Salvation Army several seasons back. After the experience last week there is reason to believe garments of that nature will remain in the bureau drawers in the future.

The unusual cold snap caused us to take a survey of the area last Thursday morning and our research left us slightly amazed as to the temperature variations. The Village of Jarvis at eight degrees below zero seems to have been in the banana belt.

Harold Kindree dug out his red flannie's and rushed outdoors for a quick look at his thermometer to find it registering 23 below. The official reading at the same hour at White River ,reputed to be the coldest spot in Canada was a mere 28 below.

Bruce Smith, out on the ninth concession, recorded a reading of 18 below. Freeman Nixon reported 15 below, while at Varency Dave Banks reported 9 below. Over on Mudstreet Howard Saunders had a reading of 13 below and Selkirk reported 16 below.

The Department of Agriculture at Cayuga reported 20 below while the Department of Highways at Jarvis said it was 15 below.

While we think we may have proved that some of the thermometers in the district are due for a turn in the hospital, we're ready to admit it was cold last week.

Local Items Of Interest

CHIEF EXPECTED HOME IN FEW DAYS

Reports from the Hospital indicate that Chief Peter Banks will be home in a few days. He underwent an operation the first of this week and is reported to be doing very well. He will, of course, find it necessary to recuperate for a while before getting back on the job. His many friends are pleased to learn he is recovering so nicely.

—O—

BIRTHDAY GREETINGS

The Record learns that Mrs. Joseph Atkinson, formerly Elizabeth Bousfield of the Sixth Concession of Walpole, will celebrate her Eighty-ninth birthday on Friday, February 11th at her home, Hatzic, B.C.

The Record joins her many friends and relatives in this district in wishing her many more happy birthdays.

—O—

ATTEND OPENING OF LEGISLATURE

Mr. and Mrs. Lea Marshall were among the guests of the Hon. James N. Allan at the opening of the Legislature in Toronto on Tuesday. They later attended the Lieutenant-Governor's reception, held in his chambers at the Parliament Buildings.

—O—

WINS TELEVISION SET

Dave McNeilly, of Nanticoke, will never be able to say again — "I never win anything."

Dave was the winner of the Television Set given away in a draw sponsored by The Erie League. Dave will readily admit that his wife is one of the best cooks in the Nanticoke area but with the installation of a Television Set he had better get ready to join the canned foods club.

—O—

GARNET HOSS AND DANCE

The third hoss and dance sponsored by the Garnet W.I. was held in the Hagersville Community Centre on February 3rd. There were 28 tables of cards. Prizes were won by Mrs. Harry McKeen and Mrs. Lionel Ford. Gents, Mr. Calvin Smith and Ronald Roulston.

The committee in charge was Mesdames Fred Roulston, Roy Jepson, Bruce Doherty and Elverson Phillips.

Norfolk Mountaineers provided the music. The next Hoss and Dance will be held February 17th.

—O—

O.P.A. PLOWING MATCH IN NORFOLK COUNTY IN 1957

At the Annual Convention of the Ontario Plowmen's Association held in Toronto this week, it was decided to hold the 1955 Match in Essex County. The 1956 Match is scheduled for Ontario County and the 1957 Competitions will be held in Norfolk County.

Mr. George Fletcher Essex County, was elected President for 1955, Harvey Hawkey, of Kingston, 1st Vice President and Malen O. Wilkins, of Jarvis, was elected 2nd Vice President.

Haldimand Juniors Win Debate On Traffic Safety

The Haldimand Junior Farmer debating team was successful in upholding the *affirmative side* of the topic "Resolved That In The Interests Of Public Safety All Operators Of Motor Vehicles In The Province Of Ontario Should Be Given Physical And Mental Tests Respecting their Driving Ability Every Five Years", when they debated with the Lincoln County team on the evening of Monday, February 7th.

Team members for Haldimand were Mrs. Audrey Ricker, of Dunnville and Bill Saunders of Nanticoke. Debating for Lincoln County were Ruby Asher and Floyd Krick.

The affirmative team pointed out that 227 drivers who were disabled in one way or another were involved in accidents in Ontario last year and of these 10 were fatal. These were discovered only as a result of the accidents. Many more would be discovered by suitable tests. In many cases corrective measures could be used resulting in safer driving for everyone. More serious cases who endanger their own lives and others would have their perm'ts suspended. The negative team members were of the opinion that safe driving could only result from an educational program and that physical and mentally disabled drivers did not create a problem.

Judges were Mr. O. A. Stager, Principal of the Smithville High School; Mr. A. Roberts, History and English teacher at Pelham High School and Mr. E. A. Smith, Agricultural Science teacher at the Hagersville High School.

—O—

WEDDING

KINDREE—WARDELL

On Saturday, February 5th at 2.30 P.M. Grace United Church, Port Dover, was the setting for a beautiful mid-winter wedding when Gordon H. Kindree, son of Mr. and Mrs. Harold B. Kindree of Jarvis, was united in marriage to Marion I. Wardell, daughter of Mr. and Mrs. Alfred Wardell of Port Dover.

The double-ring ceremony was performed by Rev. George E. Morley. The soloist was Evelyn Roper and the pianist was Mrs. G. E. Morley.

The bride, given in marriage by her father, was lovely in a waltz-length gown of white nylon net and Chantilly lace over ivory satin and her nylon net finger-tip veil was held by a tiara of pearls. She carried white gardenias and pink carnations. Matron of honour, Mrs. Russell Robinson, sister of the bride, wore a waltz-length aqua gown of lace and net over taffeta. Doris Kindree of Jarvis, sister of the groom and Faith Kovacs friend of the bride, were the bridesmaids, dressed in pink waltz-length gowns of lace and net over taffeta. All three attendants wore matching stoles, mitts and feather headdresses, all carried pink carnations. The flower girl, Shirley Wardell, sister of the bride, wore powder blue taffeta and carried pink carnations.

Ronald B. Kindree, Waterdown, brother of the groom was best man. Peter Bagley, of Brantford, friend of the groom and Larry Kindree, brother of the groom acted as ushers.

Following the ceremony, a reception for sixty guests was held in the Sunday School Hall. Mrs. Wardell, mother of the bride received, wearing a brown gabardine dress with white accessories and a corsage of pink carnations. Mrs. Kindree, mother of the groom, chose grey with black accessories and a corsage of pink carnations.

The happy couple later left for a trip through the States and on their return will reside in Port Dover.

Guests were present from Waterdown, Brantford, Paris, Toronto, Hamilton, Simcoe, Selkirk, Jarvis, St. Thomas, Port Dover and Clarkson.

—O—

SILVER STAR REBEKAH LODGE REGULAR MEETING

The meeting of Silver Star Rebekah Lodge was held on Tuesday evening, February 8th with N.G. Mrs. Marjorie Mitchell presiding. Mrs. Gertrude Belbeck, P.N.G. presided for the V.G. Mrs. Norah Fleming, who was absent owing to the death of her brother.

Visiting committee reported remembering those who had been ill and bereaved. A thank you note was read from Mrs. Margaret Andrews. A letter from the Navy League was also read and a donation of ten dollars was given to this organization. It was decided to buy material to slip cover the chesterfield and chair in the lounge room downstairs. A vote of appreciation was given to those responsible for the work of papering and painting done downstairs.

The Noble Grand urged all members who are in arrears of dues, to kindly pay the financial secretary, so our lodge may be one included on the honour roll.

Lodge closed at 9.30 P.M. with the pink side being the winners for attendance at this meeting.

Christmas Seal Fund Down

Hagersville, Ontario,
February 7, 1955

The Editor,
The Jarvis Record,
Jarvis, Ontario.
Dear Sir:

The Citizens of Hagersville, Jarvis, Selkirk, Fisherville and Nanticoke have contributed $986.62 this year to the Christmas Seal Fund, which is considerably less than last year. This smaller amount will make it more difficult to give adequate diagnostic protection in this large area. We still hope anyone who has forgotten to make contribution may do so before the close of the campaign, February 28th.

The Christmas Seal Committee wishes to say a sincere thank you:

To all those who have made their contribution and to those who will still contribute before the close of the campaign;

To the newspapers. The Editors of the Hagersville Press and the Jarvis Record have been most generous with their coverage which constantly brought our campaign before the public;

To the employees of the Post Offices and the Canadian Banks of Commerce of the district. They did an excellent job of handling the 1256 letters mailed out.

And to all the ladies who helped type and assemble the envelopes at the opening of the campaign.

Again let us urge those of you who have not contributed this year to please do so as soon as possible.

Thank you,
The Christmas Seal Sale Committee of Hagersville and District
Doris I. Smith,
Chairman

Scouts Enjoy Over Night Camp In Zero Weather

The woods on Dave and John Banks farm was the location of the 1st Jarvis Scout Troops overnight camp on Friday, February 4th. The group consisted of thirteen boys, two leaders and guest Rover Scout Reginald Sweyn of Hamilton.

As the departure time from Jarvis was delayed the boys had the experience of cooking their own suppers in the dark, the only light being the glow of their small fires.

Overheard during supper — 1st Scout - "Hey, how do you know when your beans are done ?" 2nd Scout - "Oh, when they turn black." Hungry Scout - "Sure wish I could see what I am eating." Another hungry Scout - "Well, there goes one steak, think I'll have another."

After supper two chickens were killed, dressed and hung in a tree ready for the pot in the morning for dinner. One Scout said to another: "I don't think I'll sleep to night." Another Scout - "Why?" 1st Scout "I'll just lay there and think of those poor chickens out there in the cold with nothing on but their skin and me with all these blankets to keep me warm, I hope."

After a brisk walk through the woods and fields, the boys were ready for bed and sleep. Who said sleep ? There was giggling, laughing and wise cracks for quite some time. One said "sure am going to miss the T.V. Staylater." Another said "Awe come on Johnnie, tuck me in now." Overheard in the still of the night: "Ugh, mmph, spuffer, then in a muffled voice - whatsamatter here - hey! get off my head ! !"

Breakfast Saturday morning — S. M - "Who wants mush ?" Some Scout - "Mush ? What's that ?" Another Scout - "Porridge, stupid." 3rd Scout - "What kind ?" S.M. - "Cream of Wheat." 4th Scout - "Never heard of it, don't like it. I'll have some - ." Some Scouts - "Any left ? I never got any. Boy, is that good !" So another pot of "mush" is made.

After breakfast the boys take to the fields with loaded air rifles with the saying "Keep the pot hot, we'll be back for the dinner." (It was a good thing we prepared the chickens.) Around noon a troop of tired hungry scouts came into the camp, sniffing around for some dinner. A large pot of stew just seemed to disappear in a very short time.

Things are packed up and scouts arrived home quite tired but still had some wise cracks and laughs left in them and said "When can we go again ?"

The Scout Leaders and Scouts of Jarvis wish to thank those who loaned us canvas and those who supplied some transportation, also Mr. Reg. Leatherdale for the carton of bars, Larry Pond for chickens, Mrs. Ken. Parkinson for the eggs and milk, all was certainly greatly appreciated.
