HALDIMAND COUNTY HISTORICAL SOCIETY TO MEET FEBRUARY 14th

"Not So Quiet, Please" is the title of the address to be given by Mr. J. F. Reesor at the monthly meeting of the Haldimand County Historical Society. Mr. Reesor, a well-known lawyer of Hamilton, is much in demand as a speaker and the Historical Society is pleased that he is able to come at this time. On a previous occasion Mr. Reesor spoke to the Rotary Club in Cayuga. The title of the address is a mild rebuke as Mr. Reesor attempts to show how we, as Canadians, have over-looked so many of our splendid heroes and heroines and, unlike our American cousins, have paid little heed to many historical events that actually overshadowed comparable happenings in the United States. The meeting to be held in the Court House, Cayuga, on February 14th is open to all and it is hoped that there will be a good attendance of members, W.I. representatives and friends. The roll call is to be answered by a display of old and treasured valentines.

C.G.I.T. MEETING

The regular meeting of the Merry Maidens C.G.I.T. was held in the United Church Sunday School Room on Tuesday, February 8th. We opened with the business period, led by President Maria Walker. Our secretary, Jill Peresky called the roll and twenty members were present. Jill read the minutes and Helen Jean Doughty is to be our pianist for the following year. Marlene Howden gave the Treasurer's report. Our skating party is on Saturday, February 12th at 7.30 and we are to meet at Graham's Garage. We are to sell tickets for the Fireside play and we are also going to sell candy there. The Devotional period followed and we began our study on India. Judy Fess, Peggy Smelzer and Vicky Hoover gave a skit to open our study. Mrs. Nelson gave a talk on a trip and a visit in Calcutta, India and after she asked us questions on it. We closed "Christ For The World" and we had readers read a piece between each verse. We also sang "Jesus Shall Reign" and June Fess led us in prayer. The offering was taken. We followed with crafts and worked on our mocassins. The taps closed the meeting.

THE JARVIS RECORD

Let Us Have Faith That Right Makes Might And In That Faith Let Us Dare To Do Our Duty As We Understand It"

VOLUME 81—7 JARVIS, ONTARIO, THURSDAY, FEBRUARY 17th, 1955

Authorized as Second Class Mail, Post Office Department, Ottawa

LETTER TO THE EDITOR

To the Editor
The Jarvis Record
Jarvis Ontario
Dear Sir:

A small handbook, "Regulations for Rural Mail Delivery in Canada, as approved by the Postmaster General, September 1954", arrived in the mail box this week. Section 80 of this pamphlet states: "Roads must be kept open and in good condition for travel at all seasons of the year for the effective performance of the mail service. Failure to maintain roads in proper condition may be considered sufficient reason for withdrawing service....."

Would it not be embarrassing for the County of Haldimand to have the Rural Mail Delivery withdrawn from the Nanticoke sideroad and also from the Rainham Road west from Wantiosh? Other reasons for completing these two roads have been stated previously, and some folks disagreed, but no normal individual having travelled these thoroughfares by any means from shank's mare to motor transport, could say that they were "dandy" conditions.

Gratitude is due the Government for providing the R.M.D. Regulations and that is a beginning but when even deeper gratitude may be forwarded to the County Council and the Good Roads Committee, for a Nanticoke Sideroad and Rainham Road that "soothe rather than shatter.

NANTICOKE COYMA CLUB REGULAR MEETING

In spite of the prevalence in the community of an outbreak of flu, 11 members of the Coyma Club of Christ Church, Nanticoke, met for the February meeting at the home of the president, Mrs. D. L. McNeilly. After the opening prayer, the business of the evening began with the minutes and roll call. Two projects now underway were discussed, the first being the recipe book presently being compiled and the second, the club showing a picture of Christ, each on one side and an outline study on the other. The members were to gather their recipes for the book as all types are needed. It was hoped that the plates would be available in the spring in time for summer visitors as well as church members, past and present. The forthcoming pancake supper on Shrove Tuesday, February 22nd, was mentioned briefly.

The President closed the business meeting with prayer and after two thought-provoking contests, the evening ended with a social half hour.

Serious Fire Averted At Pond Farms

A serious fire was narrowly averted late Sunday afternoon when a blaze was discovered in a large brooder house at the Pond Poultry Farm at Sandusk. The Jarvis Fire Department responded to the alarm but the fire was under control when they arrived.

The blaze was discovered by Roy Stone who was working at the Pond Farm. A fire extinguisher and water from a nearby pressure hose was immediately put into action. While several minutes passed before any headway was made in stemming the blaze a well directed pail of water through one of the windows seemed to hit the core of the fire. Dense smoke hampered efforts to get at the blaze.

The brooder housed about 2400 baby chicks and, according to Albert Pond, only about twenty-five died during the fire, although it is possible more will succumb later as a result of the smoke.

LOCAL TELEPHONE SERVICE WORK NEARING COMPLETION

A large-scale project to reinforce and extend the network of telephone wire and cable serving Jarvis and surrounding rural area is now nearing completion, D. A. McArthur, Bell Telephone manager for this region, said today.

The new facilities will make it possible to improve and extend service here, Mr. McArthur explained. Within the next few weeks service will be provided to practically all who have requested telephones, the number of customers sharing rural lines will be reduced to eight or fewer, and transmission quality will be improved in many sections.

In all, the project involves the placing underground of 25,000 feet of cable, the erection of 350 telephone poles and the installation of 42 miles of wire on pole lines.

WHY BUILD A CHRISTIAN SCHOOL ?

ED. NOTE:— The possibility of a separate school being built in connection with The Christian Reformed Church at Jarvis, has been rumored for some time. The situation appears to be that, if and when funds are available, such a school will be built. Following a meeting of the Church School Board recently the following letter was prepared for publication as a means of clarifying the viewpoint of those concerned with the establishment of the Church School. Other articles are expected to follow.

THERE HAS BEEN much discussion these days about the Dutch Immigrants in that they are planning to build a Christian School. On this there seems to be a variety of opinions. One says: "They want to remain a people all by themselves." Another asks: "Aren't our own Public Schools good enough ?. With a view to all this we, as Board, will attempt to explain why we desire to build a Christian School.

Allow us to state, first of all, that the reason is not that we desire to remain a people all by ourselves. By no means. We shall be glad to work together with all others in all things that do not conflict with the Bible, God's Word, and the sound principles based on that Word of God. In agreement with those Scriptural principles, we also try to bring up our children as Christian Canadians in our communities. Furthermore, the reason for building a Canadian Christian School is not that the Public School is not good enough to gather knowledge as such. We wouldn't be able to do it better. Neither do we desire to build a Christian School because it might be financially profitable, since to build and maintain a school of our own will demand of us extra and great sacrifices.

The real reason for building a Christian School of our own is found in Christian principle, and because of it. God's Word says: "Seek ye first the Kingdom of God and His righteousness, and all other things shall be added unto you." (Matth. 6: 33). Consequently, we desire to bring up our covenant children in full agreement with God's Word. We desire to have them taught also in school that our God is the Creator of heaven and earth; that He created man, after His image; that mankind fell into sin, as a result of which every person is worthy of God's condemnation; that, however, for that very reason Christ Jesus came into this world as Mediator between fallen man and a just God: "For God so loved the world that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life." (John 3: 16).

The reason why we hope to build a Christian School is therefore, that in all branches of study our children may in their early years be taught the way of faith, confession and Christian living, founded on God's Holy Word; that all the instruction they receive in e.g. history, natural sciences, and all other branches of study, may be permeated with and by the leaven of God's Word, the Bible, in contrast with what is so often taught these days by exponents of the theory of Evolution, which theory is destructive, according to the Bible, and should therefore be repudiated. That is our conviction.

At a later date our reason for building a Christian School on fundamental Scripture-principle will D.V. be further elucidated.

THE BOARD OF THE CHRISTIAN SCHOOL,
JARVIS, ONTARIO

Lions Planning Minstrel Show In Late March

Following the great success of their first effort with a Minstrel Show last year, the Jarvis Lions Club is a'ready at work on the second edition which, it is planned, will be presented to the public late in March.

Lion Bryce Linklater is directing the show this year and his foremost policy is "that everything must be new." He already has picked out the Carusoe' of the Club for choral work and has them hard at work developing the lilting arrangements created by Mrs. Margaret Miller.

It is understood a different system of ticket sales will be adopted this year in an effort to avoid disappointments. These arrangements will be announced shortly.

HALDIMAND C.A.S. MEETING

Miss Jean McGregor of Caledonia, presided at the regular monthly meeting of the Haldimand Children's Aid Society held in the Court House, Cayuga. Minutes and correspondence were read by the Secretary Mrs. R. A. Miller, Jarvis.

In presenting his report Staff Director Don Jackson discussed with the Board many problems which arose from time to time in social work. In the absence of the treasurer A. J. Finlay, of Dunnville, the Director also read the Financial statement showing a total expenditure of $2,705.19 for the month of January.

The estimated budget for the year was studied, discussed and approved for presentation to the County Council.

In view of the fact that the Community Chest Campaign for the Jarvis District is carried on in the spring it was thought advisable to hold the March meeting in the Jarvis United Church School Room, when all citizens will be cordially welcomed.

Other members of the Board who were present included Kenneth Parkinson, Bain Munroe and Frank Young, all members of the County Council. Also Paul Christenson and Miss Alice Murphy of Cayuga, Mrs. Jean Dawson and Joe Jackson of Dunnville, Harvey Vokes of Nanticoke.

THE G.M. ROCKETS DEFEAT BUTTERMAKERS

The Buttermakers were spread thin on the ice at Port Dover on Tuesday night when Lundy & Henderson's G.M. Rockets came through with a three to two decision in the first, commercial engagement in the current Broomball wave of enthusiasm.

Cliff McBride admitted after the game that he had been coaching his charges during the coffee break at the mechanical repair depot on Talbot Street every day for the past month. Bruce Robinson, General Manager of the Buttermakers made an admission of a different character. He had not even advised his players that a game was to take place. Despite the odds, Bruce managed to lose by a mere one goal which should indicate what will happen when these two teams meet the second time and the buttermakers have figured out a few cagey plays.

In the first encounter there were few casualties, but things will likely be different next week if a return engagement takes place.

Mrs. J. R. Pond, Walpole Native Dies In Simcoe

Mrs. J. R. Pond, of 265 Norfolk Street South, Simcoe, died Saturday in Norfolk General Hospital, after a short illness. She was Eighty-four.

As a worker for St. James' United Church, Mrs. Pond was known to the town through the many banquets suppers and wedding receptions for which she was responsible as leader of the Christian Builders' Group of the St. James' Women's Association for the last 12 years.

W.M.S. LIFE MEMBER

She was a life member of the W.M.S. and the W.A. and was appointed in 1950 as the first lady elder of the session of St. James. She was teacher of the Plus Ultra class for the last 15 years.

Presbytery for 38 years, serving three times as president, and was a past president of both the Cheapside United Church and the St. James' United W.M.S. organizations. Active in Women's Institute work, she was a former president of the Sandusk W. I. and did considerable Red Cross work under the auspices of the Institute. She was a life member of the W.C.T.U.

Born in Walpole Township, she was the daughter of George Walker who settled in Rainham Township at the age of 12 with his parents who came from Lincolnshire, England, and Juliet Culver, a native of Rainham. Mrs. Pond received her education at Saunders' School, Nanticoke, and Port Dover High School, later attending the Model School, Simcoe, where she qualified as a teacher.

Mrs. Pond taught at Sandusk School for four years prior to her marriage in 1901 to James R. Pond in Cheapside United Church. They resided for 43 years in a home next to the old Pond homestead, moving to Simcoe in 1934 when Mr. Pond retired from farming. He died in 1947.

IN MEMORIAM

WRIGHT—In loving memory of our dear Father, Mr. Edward Wright, who passed away one year ago, February 21st, 1954.

The first long, lonesome year is almost over,
Our hearts are still as sore as they were when
You left us for a better world, dear father,
Our only hope is we shall meet again.

Ever remembered by Son Tom, Daughter Ella and Grandson Bill.
