

To the Electors of Haldimand - Norfolk THANK YOU!

THE GENEROUS SUPPORT YOU GAVE ME ON ELECTION DAY IS SINCERELY APPRECIATED.
I WILL ENDEAVOUR TO MERIT YOUR CONFIDENCE AS WE MOVE FORWARD IN OUR EFFORTS TO
BUILD A GREATER ONTARIO

- James N. Allan

Being a father we are looking forward with keen anticipation to Sunday next. Sunday, June 19th is Father's Day. On Sunday we expect to have our breakfast served in

bed. We expect the coffee will be hot and the eggs turned just right. Sometime during the afternoon we are planning on having a nice quiet snooze with no one slapping doors or tuning the radio in loud. On Sunday we expect the week-end papers will be folded neatly by our favorite chair with all sections complete. We also expect when the phone rings on Sunday some member of the family will answer and say "I'm sorry, this is Father's Day, he is not available." And as a fore-warning to whom it may concern, we want to say right now that Father doesn't want any gifts on Father's Day and if anyone wants to know why we will say, without hesitation, "we can't afford it."

We have been able to understand

people getting homesick, under certain circumstances, but never before have we heard tell of the malady striking a newly married man. It is a fact, however, as our information came direct from the mouth of the bride. It was nice spoiled the honeymoon although the illness became strikingly apparent somewhere down in the State of Virginia. We are not going to mention any names but think that the incident should be recorded as representative of Ripley's Believe It Or Not.

Judging by the report of the election in last week's Port Dover Maple Leaf, the editor is well pleased with the results. True to form, however, Sam couldn't even wait until this

week to register his first "beef" concerning the conduct of the election. "Why," he says, "wasn't Port Dover given an advance poll?" We hasten to extend our sympathy to those Port Dover residents who may have been inconvenienced by the lack of an advance poll. The results indicate that actually there were more advance polls in the riding than were really needed to serve the constituents.

We mustn't overlook the obvious intent to convey to the Port Dover Maple Leaf readers the impression that John Barleycorn took command of the editor of this Journal when the results of the election became known last Thursday night. Such was not the case as the representative of his own paper will testify. However, since the Maple Leaf has

seen fit to convey an impression of REGISTRATION AT S.S. No. 1 SOUTH WALPOLE

Registration at S.S. No. 1 South Walpole will take place on Wednesday, June 22nd from 2 to 3 P.M. Pupils must be 6 years old and bring verification of birth.

News of the Countryside

From The Record's Correspondents

LOCAL CUBS AND SCOUTS ATTEND FIELD DAY

The Cubs and Scouts of Jarvis had their chance to show how much Scout work they know at the Field Day at Kohler on Saturday.

The turn-out of Cubs and Scouts was quite disappointing to their leaders, but those who did show up, 16 Cubs and 3 Scouts, did very well for their Cub Pack and Scout Troop, both coming home with a "B" pen, which was much better than last year and we hope for better next year.

The Scouts, John Fleming, Roy Keeler and Buddy More are to be congratulated for their very good effort, also all the Cubs who took part.

Cubs met Monday night with quite a number of boys absent. If some of the boys who continue to be absent do not show up for the next two meetings this month, they may be crossed off the attendance books.

Scouts met Monday night and have planned a dance for Friday night, June 17th, also have an overnight camp planned for 24th and 25th. We hope for full attendance for coming meetings.

Mrs. Dolores Smith and Michele Brantford, Mr. and Mrs. Tom Wright and Miss Pat Gilbert of Hagersville, Mr. and Mrs. Ray Baskerville, Joan and Bob of Nether were Sunday visitors at the home of Mr. and Mrs. Earl Fisher.

Mrs. James Priest, Mr. and Mrs. Bud Priest and family visited on Sunday with Mr. and Mrs. Clark Torrance, of Weston.

Mr. and Mrs. Charlie Johnson of Mt. Pleasant have moved into their new home in the Village formerly occupied by Mr. and Mrs. Les Van Trigt.

NANTICOKE W.I. JUNE MEETING
The June meeting of the Nanticoke W.I. was held at the home of Mrs. R. A. Douglas with an attendance of 14 and 2 visitors.

The meeting was opened by the President, Mrs. Kin-the Lord's Prayer. Several items of business were discussed and it was decided that we buy a gallon of paint for the school by Mr. Pi-sher. Mrs. Sanford Vokes reported that she sent 48 cards during the past year. A committee, composed of Mrs. Art Vokes, Mrs. Ira Evans and Mrs. Mary and Mrs. Chas. Field, are making arrangements for the Extension Course. The roll call "Suggestions For An Outing" was discussed by all. The Motto was given by Mrs. Mary. Mrs. Russell Hare gave a very interesting talk on the Federation of Agriculture in Haldimand County. Reports of the West Haldimand Institute convention were given by Mrs. Art Vokes conducted a quiet

The July meeting will be in the form of a picnic held at Mrs. Reg Hedges. Lunch was served.

GARNET W.I. JUNE MEETING
A goodly number of members of the Garnet Women's Institute met on the evening of June 9th at the home of Mrs. Mark Phillips.

The meeting was opened by the President, Mrs. Gordon Cherry in the usual manner. The roll call was answered by suggesting an interesting outing. The minutes of the last meeting were read and the financial report given.

Mrs. Walter Wade was put in as director taking the place of Mrs. Willis Harrop who is leaving to stay in Windsor for some time.

It was reported that \$70.50 was collected by members of the Institute in this district and turned in to aid the Salvation Army.

Mrs. James Nichol gave a report of her visit to a meeting of the Jarvis Institute to which all the District Officers were invited. Mrs. Nichol also reported on the District Annual held at Jarvis.

Mrs. Gordon Cherry read an article on the Officers Conference held at Guelph. It was agreed to send \$2.00 toward the "Girls 4-H Club".

A song led by the program convenor Mrs. Bruce Smith was enjoyed after which Mrs. Walter Wade read a motto "Kindness and Courtesy are the Essence of All Good Public Relations" which was prepared by Mrs. Harold Nichol.

The topic was ably given by Mrs. Mark Phillips on "The Work of the

At last!

... a tap that just won't drip!

Electronic brush saves money on costly wire — promotes trouble-free telephone service

In little ways as well as big we're always on the search for trouble-shooters that will not only protect your telephone service but keep its costs down, too...

Here a Bell technician is testing the telephone lines in your neighborhood. Carefully and quickly his hand brushes the circuits in the telephone building with an electronic "line patrol". He is hunting for weather-worn wires which may cause a noisy line or snap during a storm.

Forewarned by this periodic testing we send a man to change the faulty line—which could be the "drop" line running from your home to the main telephone cable.

Because of this electric detective we can use expensive wire until its service life expires fully, and that helps us to keep your telephone costs down.

THE BELL TELEPHONE COMPANY OF CANADA

Federation of Agriculture in Haldimand County and Ontario. Current Events were given by Mrs. Roy Jepson. Mrs. Bruce Dougherty reported on the meeting of the Macdonald County Agricultural Society. Mrs. Cherry congratulated Mrs. James Nichol on being appointed the 2nd Vice President of the District.

After the hostesses and those taking part were thanked, a contest was enjoyed. A very delicious lunch was served and a pleasant social hour was spent.

Mr. Warren R. Johnson of Boston, Mass., is spending holidays this week at the home of his brother, Mr. and Mrs. James Johnson of Walpole. Mr. Johnson is employed with the New York, New Haven and Hartford Railroad Company where he has been employed since selling his farm at Lot 6, Concession 9 Walpole, over 30 years ago.

JUNIOR FARMERS AND J.W.I. MEMBERS HEAR TIMELY SUBJECTS DISCUSSED
"High quality milk and cream are essential" states Mr. Carlyle Adams, Dairy Instructor of Haldimand County, at the Junior Farmers' meeting held at the Rural Youth Centre, Koyler, on June 11th. During his talk Carlyle showed the boys how the bacteria count and sediment tests are done. He also pointed out facts which influenced the test of the herd in general. Mr. Adams went on to tell the members how to produce clean, high quality milk and cream and some of the many products manufactured from milk, some of which many never knew originated in milk. A film on the advancement of the dairy industry was shown. Then the members had an opportunity to have their many questions answered. Meanwhile the members of the Junior Farmers Institute watched Mr. Robert Jarrett, a former baker in Cayuga, decorate a cake. Bob showed how many different types of loaves are made and their proper uses in making different decorations. The girls had a chance to practice and ask questions enabling many to obtain ideas for part of their project for the Judge Kinnear Tray.

The boys and girls joined for lunch and a short social meeting. Part of the lunch consisted of the cakes and cup cakes decorated by the girls and bringing the meeting to a pleasant close.

JUDGING COMPETITION AT HALDIMAND HOLSTEIN MEETING
The Annual Twilight Meeting of the Haldimand Holstein Association was held June 8th at the farm of Bruce Whaley, Caledonia, with President William Snowden in charge.

A judging competition using a three-year old cow and a class of one-year old heifers was held. The winner in the ladies class was Mrs. Robert Young, Cayuga, with Mrs. Ross Howley, Caledonia, Joan Link, Cayuga, tied for third. In the junior section the winner was Albert Awde, Hagersville, with R. Cherry, Hagersville, second, and Glen Cherry, Hagersville, third.

The senior section was won by Keith Bantfield, Nanticoke, with Frank Waseley, Caledonia, second, and Robert Young, Cayuga, third. John Powell, Secretary of the Ontario Branch of the Holstein-Friesian Association of Canada, reported that the first five months of 1955 had been the best in the Association's history from the standpoint of registrations with 35,205 head of cattle registered, this representing a gain of 11 per cent over 1954. Transfers of ownership were also up 7 per cent, new members of the Association showed a gain of 12 per cent, and exports of 1954 by 225 per cent. So far this year, 7268 head have been exported.

Fred M. Snyder, President of the Holstein-Friesian Association of Canada, showed coloured slides of a recent European trip. Mr. Snyder and National Holstein Association director E. A. Innes, Bramford, acted as official judges for the judging competition.

DEAN OF ADVERTISING PASSES AT TORONTO
John A. MacLaren of Toronto, founder and president of the MacLaren Advertising Co. Ltd. and regarded by many as the dean of modern Canadian advertising, died at 83 after an operation in Florida, where he had been holidaying. Native of Orangeville, he worked on the old Toronto World, became financial director of the Toronto Telegram and later worked for the Toronto Telegram and newspapers in Edmonton, Calgary and Vancouver.

Later, as an advertising executive, he was awarded a silver medal for distinguished service by the Association of Canadian Advertisers. During the Second World War he lent his assistance to the National War Finance Committee, to the advertising and publicity activities of the wartime price board and the war savings and victory loan campaigns.

Exhaustive tests have proven that the new Magic Action Faucet will not drip or leak. Yet this EMCO-fashioned tap costs no more than old-fashioned taps.

* no more drip-stained basins and baths
* no more hot water waste
* no more washers to replace

SPORTS WRITER PASSES
Tommy Moore, 63, veteran sports writer and assistant sports editor of the Hamilton Spectator, died Sunday in his home after a brief illness. He was sports editor of the old Hamilton Herald in the 1930's. He is survived by his widow and five children.

SOIL SENSE
— By J. R. B. —
In a field of growing corn during the summer it is often noted that the leaves begin to turn yellow at the tip end and progresses along the midrib, thus known as a sign of nitrogen starvation. Nitrogen starved leaves become yellow and die. To produce a 75 bushel crop of corn approximately 120 to 150 pounds of nitrogen is required. A clay soil will provide approximately 60 pounds of nitrogen per acre. In addition a good soil of 225 per cent. So far this year, 7268 head have been exported.

Fred M. Snyder, President of the Holstein-Friesian Association of Canada, showed coloured slides of a recent European trip. Mr. Snyder and National Holstein Association director E. A. Innes, Bramford, acted as official judges for the judging competition.
