NADIAN CHRISTIAN SCHOOLS --

However, we as a Christian Reformed Church do not desire to build SUCH as also a charter the charter of the c desire to build SUCH a school even though some here may seem to think so. Our hope and desire is to build a parentseem to think so. Our hope and desire is to build a parent-controlled, a parental-Covenant-Christian School, though it will be supported by the local congregation morally and financially, since in its Constitution or Church Order the Christian Reformed denomination is officially committed to that. Article 41 of our Church Constitution reads: "The Consistories shall see to it that there are good Christian Schools where THE PARENTS have their children instructed according to the demands of the Covenant." Our Consistories and pastors are therefore duty-bound to encourage the establishing of disthe demands of the Covenant." Our Consistories and pastors are therefore duty-bound to encourage the establishing of distinctive Christian educational institutions in accordance with the teachings of God's Holy Word. But after that urging encouragement THE PARENTS THEMSELVES TAKE OVER. The parents themselves build, govern and maintain their Covenant Schools through a Board chosen by them for that purpose. And so we at present have many PARENTAL Christian grammar - and high schools in the U.S.A. (some in Canada in Alberta, British Columbia, and Ontario) with a total enrollment of 33,377 boys and girls in 1954. These schools, by and large, have done excellent recognized work; they meet the highest educational standards; they are controlled and inspired by the eternally abiding principles of God's Word, and they have in their many years of activity produced some of the finest and most patriotic citizens. Our God has bountifully blest the sacrificial efforts of the pioneer exponents of true Christian education and their descendants. May He continue to bless this wonderful cause in the future here and elsewhere.
