

## Victoria Day

May 23rd

Your co-operation is requested over the week-end of May 20 to 23.

Commencing on Friday evening and continuing to Monday evening hundreds of thousands of Ontario motorists as well as thousands from the other Provinces and from the States will be "taking to the road". The exercise of Care, Courtesy and Common Sense will prevent most accidents or collisions which result in fatalities, human suffering and financial loss.

Even though "you are a careful driver" keep your mind on the job of driving. This is no time for sight-seeing while driving. "Don't Hurry" remember HURRY KILLS.

Do your part to make this, our first long summer week-end holiday, ACCIDENT FREE.
