Gregory Clark whose columns are read by thousands, is a booster for holidaying in Ontario. You'll more than agree with North, South, West or East.

And what a variety of pleasure— And what a variety of pleasure-fishing, boating, lake and beach, museum and shrine, booming industries in city, mine and forest. More than 74,000 miles of paved highway and secondary oads promise comfortable travel. Reminders of Ontario's fascinating history dot the country side and school-book istory becomes alive in its setting. It's Ontario that has so many multi-varied attractions for you this year. And, accommodation

Lieutenant Governor, Hon. Louis O. address. Come and enjoy the day.

AUCTION SALE

Farm Stock, Implements, Etc., the property of Decker Cox, at Lot 25, Concession 2, Walpole, half mile west of Selkirk on the Rainham Road, on Saturday, June 4th, 1955 at 1, 0'-clock sharp: 7 Head of Guernsey Cattle and a complete list of good farm implements. Terms Cash. Hubert C. Field, Auctoneer. See next issue for complete list.

South Waltoner Speaker, game of the league schedule. Selkirk has a well balanced team and will be tough to heat in any competition. It was a thriller on Monday as the two teams battled it out. Gien Lamb emerged the hero of the game in the eyes of the Jarvis fans when he connected with one of Joey Dennis' offerings that cleared the left fielder's head and gave him a well earned four bases. If this game is any criterion of the brand of ball to be witnessed in the Flood-light League this year, it will mean successful season. The Edwards brothers for Jarvis starred in both games, both polling homers that sent the ball out of the park, in the Fisherv'lle game.

South Walpole
Teachers Meet

The regular meeting of the South Walpole Teachers' Group was held on May 17th at S.S. No. 3. The roll call "Time Saving Ideas" was responded to with suggestions of time saving devices in correction of exercises, health inspection, etc.

The topic "Correction of Exercises and Marking Notebooks" was given by Mrs. Taaffe. She stated that there should be organization to obtain the standard of neat notebooks. Insecting be adjourned.

Sent the ball out of the park, in the Fisherville game.

To speed correction, answers should be underlined Pupils should be encouraged to check their own work under the careful supervision of the teacher. The frequent use of models should be used to create a criticism of the pupil's own work and encourage them to strive for perfection.

The attendance plaque was retained by S.S. No. 18, whose average for the menth of April was 99.55 per cent.

Mr. Young had a few items of business to discuss, after which it was moved by Mr. Fisher, and seconded by Miss MacDonald that the inneeting be adjourned.
