we add to the suggestion given to the Village of Caledonia in their pro-blem. Call in the O.P.P. and tell free hand the problem will be releer dollar was 7.4 cents less in 195 than it was in 1947 according to a recent announcement in the U.S. The same release points out that most of this went to pay labour for the service that the consumer demanded by way of special prepara tion of food items, packaging and of farmer received 43.1 cents as his

All this does is to emphasize the fact that the farmer is being forced to reduce his costs in every possible been working hard to help reduc the labour costs. Farm labour costs are said to have risen by about 400 per cent since the beginning of the and larger equipment the crop labour the farm demands 40 per cent. of the ntire labour used on the farm.

About half of the Leatherbarrow ceives commercial fertilizer at about 250 pounds per acre and using a mixture suitable to the needs of the land as determined by soil test. No preservative is used in the grass-iegume stage that is made. A great many labour saving devices were to be found on this farm as all of the work is being done by Mr Leatherbarrow and one man Costs are al-so being cut by feeding silage to the pigs and hens. It was claimed that the feeding of silage reduced the cost of egg production by about five

Another place visited last week was the Townsend Form year R - wood. About 300 acres was being worked as a dairy enterprise Just around 1,100 lbs. of milk per day was being shipped to the fluid market in Toronto. This was the production of 35 cows. Mr. Townsend with the help of one hired man was with the help of one hired man was looking after close to 90 head of cattle. The only other help he had in the winter time was his wife and daughter. Three sons are all at college at this season of the year. A stable cleaner was being used as a bulk milk cooler. This latter equipment was giving good satisfaction and Mr. Townsend was well pleased

WHEN IT COMES TO TRAVELLING-by telephone wire that is-you'll go far to match the accumulated record, of the five Martin sisters of Montreal. Reading from left to right, Marguerite, Raymonde, Lillian, Yolande, and Huguette, all work at the Bell Telephone Company of Canada. They share a mutual interest in providing fast, courteous Long Distance Service to thousands of telephone customers. Marguerite, an assistant chief perator, was the first to join the company, ten years

ago. She must have said some nice things to her sister about the Bell! Huguette, the youngest, completed the quintette just over a year ago. We like having more than one member of a family sharing in telephone work. It says more forcefully than we ever could that "The Bell is a good place to work." We think, too, that as long as we have employees like the Martin sisters, you'll have THE BELL TELEPHONE COMPANY OF CANADA

1,000.000 TESTAMENT

by The Gideons International in Canada on Monday, November 21st as the 1,000,000 copy of their special Youth Testament edition was pre sented to 5th Grade pupil John

This particular phase of the Gideon ministry was commenced in October, 1946 and has steadily grown in scope and importance. The programme now involves an annual distribution of 150,000 New Testaments and is carried on in Public Schools and is carried on in Public Schools in all of Canada's ten provinces, the Yukon and Northwest Territories. Gideon Testaments, including the Psaims and Proverbs, familiar hymns and the National Anthem, are offered 5th grade nunits yearly. The and the National Aller Spearly. The dideons also place Bibles in Hote rooms, Motels. Auto Courts, Hospitalist Schools and tals, Penal Institutions, Schools and Military establishments.

The Gideons International in Canada was organized nearly 50 years ago and the head office is located at 146 Jarvis St., Toronto, Ont.

SHARE OF REVENUE

Northern Ontario which are depend ent on the timber and pulp opera-tions for their economic life could cut in on some of this revenue (stumpage fees) in the form of grants or even in financial backing, it would make living more attractive.

Chairman of County Council Building Committee, Caledonia, Ontario.

Here's a job for the active man who uses his head, likes the feel of action and working in the open air. Today's Infantry soldier, recognized as the most important man in the Army, has the best — in training, weapons and care. His chances for specialized training and promotion are almost unlimited.

Infantry and the other special branches of the Army offer hundreds of good-paying, lifetime careers. To see where you fit, visit your nearest recruiting office. No obligation, of course.

Remember, in the Army you team up with men and leaders you can rely on — right down the line.

Serve Canada and Yourself in the Army The Army requires men of reliable character and stability—able to pass special Army tests. To be eligible you must be 17 to 40 years of age, skilled tradesmen to 45. When applying bring birth certificate or other proof of age.
