

The trustees of the Police Village of Belmont have appealed to the Ontario Department of Health to re-institute a mandamus that will compel South Dorchester Township Council to sign contracts for the instal-

ment of waterworks in the Village. A mandamus was dropped last spring when the Township, at the last minute, signed a contract to have test wells drilled. Apparently the council is stalling again. The Township must issue debentures for the job, although it will be charged back to the residents of the police Village. We admire the determination of the citizens of Belmont to have and enjoy the advantages of a water system. Belmont is much smaller than Jarvis.

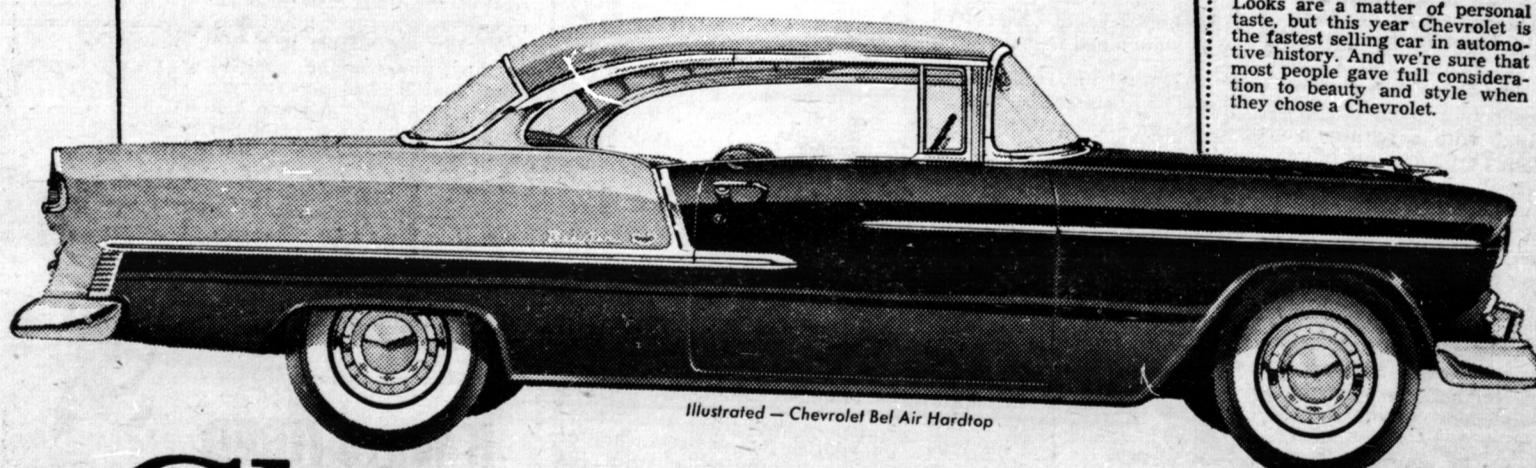

We note by the city dailies that many of the mobile pieces of equipment owned by the Haldimand County Roads system have been rendered immobile by having sugar poured in the fuel tanks. In view of the fact the former employees of the road system are picketing the Roads Department suspicion naturally falls on them. The former employees may not have even had a finger in this malicious action, but it would be pretty hard to convince the taxpayers of Haldimand of that possibility. In fact it is pretty hard to imagine any action that could have been more harmful to the cause of the roadmen.

We discover by the Simcoe Reformer a new way to save money. Policy holders in a new insurance company are entitled to a substantial discount if they pledge themselves as absolute teetotalers. "Drive and Save" will probably be the slogan of the new company. It is not divulged how the company determines whether or not a policy-holder may sneak a quick one behind the garage. As a neighbour says: "It

Mr. and Mrs. John Smith are happy to announce the arrival of a beautiful Chevrolet Bel Air, Two-Tone Hardtop. A wonderful surprise for Jimmy and Caroline, and Mother and Dad are just too excited for words. Bumper to bumper it's a real beauty - easy to handle, yet full of pep and raring to go. You should see the admiring glances it receives. An addition to the family we are very proud of, and we know we are in for a great deal of fun and joy together. Why not add a Chevrolet to your family?

A DREAM FROM THE FIRST
From the first moment you step aboard, you'll find Chevrolet is a real dream in every way - in economy, in power, in ride, in stability and in luxury, too. This is the car you've always wanted.

EASY ON THE GAS
Ultra-high compressions, valve-in-head design, short stroke pistons - these and many more produce a wonderful fuel efficiency that saves you money with every thrilling mile you travel.

SURPRISING HOW IT GETS AROUND
Chevrolet's nimbleness and manoeuvrability allows you to make turns without speeding in all traffic conditions. Ball Race Steering gives you new ease of control and a new shorter turning radius gets you in and out of tight places safely.

AMAZINGLY FIRM AND STEADY
Unmatched roadability is the brightest of Chevrolet's highlights. The new suspension keeps you on the level under any kind of road conditions. And just wait 'til you try its cornering ability.

A WONDER IN ITS WEIGHT CLASS
The all-new, tremendously compact Chevrolet V8 is the lightest engine in its class, yet it powers a performance that outdoes them all. Try the high power-to-weight ratio of Chevrolet today. You'll be amazed!

A REAL DARLING FOR LOOKS
Looks are a matter of personal taste, but this year Chevrolet is the fastest selling car in automotive history. And we're sure that most people gave full consideration to beauty and style when they chose a Chevrolet.

A. C. SMITH, Principal

Frank Smith and Mr. and Mrs. Earl Fisher. This was the occasion of the 48th Wedding Anniversary of Mr. and Mrs. Smith. In the evening Rev. Shaw's message was entitled "The Altar on The Barn Floor." This was based on the story of God commanding David to build an altar on a threshing floor. The speaker said that many people today do not want an altar on their barn floor. They want to keep their habits and practices of through the week separate from their Sunday religion. Mr. Cyril Kirkland of Waterford, contributed to the service with two solos "The Stranger of Galilee" and "I'm Praying For You." Next Sunday morning Rally Day will be observed in the Sunday School. Mr. and Mrs. Tom Wright and Miss Pat. Gilbert of Hamilton and Mr. and Mrs. Ray Easterville, Miss Joan and Bob of Nover visited on Sunday at the home of Mr. and Mrs. Petheram.

Mr. and Mrs. Frank Easton of Detroit visited with Mr. and Mrs. Henry Van Trigt on Saturday afternoon. Mrs. David Petheram accompanied her nephew and niece, Mr. and Mrs. Wm. Petheram spent last Tuesday with her cousin, Mrs. Earl Hawke of Victoria. Mr. and Mrs. G. Van Trigt and Dick of Simcoe, spent Sunday with Mr. and Mrs. Henry Van Trigt. Mrs. Wm. ADEQUATE WIRING for Better Electrical Living

Adequate wiring in your home assures convenient, economical electrical living at its best. If you are planning to build a new home, have your local Hydro or your Electrical Contractor explain why it is to your advantage to have sufficient circuits, switches and convenience outlets in order to derive the full benefit from today's many electrical aids to living. Too often the unsatisfactory operation of electrical appliances is due to inadequate wiring. Many older homes, and some newly built homes, are not wired to efficiently operate more than a few electrical appliances. Specify "Red Seal" wiring to the standard of The Electric Service League of Ontario, a non-profit organization maintained to assist you with wiring problems. See your local Hydro Manager, or send for the FREE BOOKLET, "Facts About Electrical Wiring For Your Home." Write to: The Electric Service League of Ontario, 4 Carlton Street, Toronto 2.

This Red Seal on the service box is your assurance of an Adequately Wired home.
